# Routines

In Nursery we engage in learning through play. Learning opportunities are based around the seven areas of learning:-

- Personal, social and emotional development
- Communication and language
- Physical development
- Understanding the world
- Mathematics
- Literacy
- Expressive arts and design

Everyday we will have whole class learning sessions. We will also have weekly PE, music, phonic, circle time, numeracy sessions.

# Our Topics

We'll be trying to ensure we have fun, because happy children learn better!

Our topic for this half term is "All about me" and "Autumn". Play opportunities are based around these topics and also around children's current interests and experiences.

# Learning journal

Each child in Nursery has their own Learning journal. Photographs will be added into each journal weekly to show things that each child has been doing and achieved.

The "My world book" is your opportunity to show us all the things your child has been doing at home. It will help us to create a picture of the whole child.

Home-school books will be sent home every Friday. They will be in their box outside the classroom on a Friday.

# Medication and Absence

All medical needs should be shared as soon as possible to ensure we can meet your child's needs. Any medication needs to be prescribed and be labelled. The office oversees medication in school so may be in touch for more serious conditions or to clarify medication.

Absence simply needs to be reported to the office - any requests for absence need to be submitted to Mr Boddy.
