School organisation in Gateshead

Gateshead has a two-tier school system, with children progressing from primary and junior schools to secondary school. There are three infant schools in Gateshead and each has a linked junior school.

Below is a breakdown of the organisation of Gateshead schools proposed for September 2019.

We have

- 1 nursery school for children aged 3 to 4
- 3 infant schools for children aged 4 to 7
- 3 junior schools for children aged 7 to 11
- 61 primary schools for children aged 4 to 11

Consisting of:

- 47 community schools
- 16 Roman Catholic schools
- 1 Roman Catholic Academy
- 2 Church of England schools
- 2 Primary academies

There are:

- 8 secondary schools

Consisting of:

- 1 community school
- 7 academies (2 Roman Catholic academies)

There are six special schools in Gateshead for children whose special educational needs cannot be met in a mainstream school. A list of these schools and all others in Gateshead can be found at the back of this booklet.

When to start school

Reception - Children born between **1 September 2014 to 31 August 2015** will be eligible to start school Reception Year in September 2019 and must apply for a school place by 15 January 2019.

Junior - Children born between **1 September 2011 to 31 August 2012** that currently attend an infant school (Oakfield Infant, Ryton Infant or Birtley St Joseph's Infants) are due to transfer to junior school (Year 3) in September 2019 and must apply for a school place by 15 January 2019.

Before you apply

- Read the information in this booklet very carefully before completing your application form.
- Do not assume that you live in a particular schools catchment area as some streets are split. You can check your catchment school on the Council's website.
- Sometimes living near to a school or having a sibling already at the school you apply to is not enough to be offered a place.
- It is possible that your child will not be offered a place at any of your preferred schools especially if you apply for very popular schools and don't have a high priority under the oversubscription criteria.
- Academies and Voluntary Aided Schools have different admission policies to community schools in Gateshead. You must read the admission policy for each school you apply to in order to assess which school you stand the best chance of being offered.
- Look at the statistics for previous years in Section 3 of this booklet. This will show you which schools were oversubscribed and the number of appeals that were heard. However you must be aware that these figures can change significantly from year to year.
- Use all three preferences on your application form – doing so does not reduce your chance of gaining a place at your first preference school.
- Do not repeat the name of a school more than once on your application, as this does not increase your chance of being offered a place and is a waste of preferences.
- If your child is eligible for an offer at more than one school, your highest ranked preference will be offered and any lower ranked offers will be disregarded.
- Your child's attendance at a school nursery does not guarantee your child a place in the reception class of this school. Your application form will be considered against the schools admissions criteria with no regard to the nursery your child attends.
- Your child will not automatically be given a place at your catchment school, it is essential that you apply.
- You must inform us immediately if you change address after the submission of your application form.
- Remember it is your responsibility to ensure your application is submitted by 15 January 2019.

Important admission dates

September 2019

The closing date for returning applications is 15 January 2019. Any paper application form received by the School Admissions Team after this date will be classed as late.

Parents that apply online will have until midnight on 15 January 2019 to submit their application after which time the system will close.

How we offer Places - Equal Preference

How we offer places – Equal Preference

The statutory 'Equal Preference' system is used to offer school places. This means that all first, second and third preferences are initially looked at individually, regardless of the order in which they have been ranked.

If a school is oversubscribed the published admission criteria will be used to decide who to offer places to.

The order that preferences have been ranked becomes important if a child is eligible for an offer at more than one school ranked on the application form. It is possible that an applicant who ranked the school as a lower preference, could be offered a place ahead of other applicants who ranked the same school as a higher preference if the school is oversubscribed and they meet one of the higher oversubscription criteria.

Voluntary Aided Schools have different admissions criteria to community schools and academies and you must make sure you understand the school's oversubscription criteria and admission policy before you submit your application.

Offer of a school place

- Where your child is eligible for a place at only one of the schools ranked on your application form, a place at that school/academy will be offered to your child.
- Where your child is eligible for a place at more than one school ranked on your application form, your child will be offered a place at the school which is ranked highest on your form and any lower ranked offers will be disregarded.
- Where none of your preferences can be offered, your child will be offered a place at your catchment school or nearest school with a place available (measured as the crow flies)

In most cases children will be offered a place at one of their preferred schools but there are circumstances where this may not be possible, as this will depend on the admission criteria for the school and the number of applications received.

No Application Received

If we are aware that you live in Gateshead and do not submit an application form, a place will still be offered to your child on 16 April 2019, at your catchment school or next nearest school (measured as the crow flies), depending upon the availability of places after all applications have been considered.

Gateshead Council Community and Voluntary Controlled Primary Schools Admission Policy 2019/20 (including Kibblesworth and Riverside Primary Academy) Admission Policy 2019/20

The policy is as follows:

- Your child will start school at the beginning of the academic year in which they will reach the age of five. (An academic year lasts from 1 September in one year to 31 August the following year). Children are entitled to a full time place as soon as they start school, however in most schools, the first term will include an induction period, (a period for your child to get used to school life gradually, generally from September to October). Although, you may request that your child attends school part-time until later in the school year, but not beyond the point that your child reaches compulsory school age.

In addition you may request that your child be admitted to school later in the school year following September 2019, but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year.

- We will accept pupils up to the schools agreed Planned Admission Number for the year group unless we feel there are lawful grounds not to do so.

Admission of children outside their normal age group

Parents may request a place for their child outside their normal age group, for example gifted and talented children, children that have suffered ill health or parents of summer born children (children born from 1 April 2015 to 31 August 2015).

All cases of admission of children outside their normal age group must be discussed with the LA and relevant school Head Teacher prior to the application being made. Such requests must be made on the Common Application Form which is available from 10th September 2018. You must detail the circumstances of your case and include any supporting information from relevant professionals.

The LA will consider each case individually and you will be notified of the outcome of your request on 16th April 2019.

Please refer to the Admission to Primary School booklet for further information regarding deferred entry and admission of children outside their normal age group.

Oversubscription Criteria

We will consider applications from parents who have named the school as any ranked preference on their application form this is called the Equal preference system. If there are more applications for the number of places available at the school we will then offer places by using the following order of priority:

1. Children in Public Care (and as deemed under Section 22 of the Children Act 1989) including a child who was previously "looked after" but immediately after being "looked after" became subject to an adoption, residence, or special guardianship order (see definition*).
2. Children who live in the school's catchment area and who will have a brother or sister at the school, or at the feeder junior school during the coming academic year. (see definition*)
3. Other children who live in the school's catchment area.
4. Other children who will have a brother or sister at the school or at the feeder junior school during the coming academic year.
5. Other children who have exceptional medical or social grounds see point 1 below
6. All other children.

(*see definitions of our criteria in priority 1, 2 and 4 above in our parent's information booklet and at www.gateshead.gov.uk)

Point 1- We can consider exceptional individual applications, particularly in cases involving medical or social needs. If you wish to apply on medical or social grounds you must provide written evidence from relevant registered health professionals i.e. a doctor or social worker. The evidence must demonstrate why the chosen school is more appropriate and what difficulties would be caused if they were to travel to and attend alternative schools. We will not consider such applications if the relevant professional evidence is not provided. The evidence will be presented to the Primary Fair Access Panel for consideration. No assumption should be made that submission of the relevant evidence will, in itself, be sufficient to offer a place.

Whickham Parochial Church of England Controlled Primary School

This school has the same oversubscription criteria as priorities 1 to 6 above except that criteria 3 and 4 above are reversed. Priority 1, 2, 5 and 6 remain in the same order however for this particular school their oversubscription criteria places priority 4 children above those children in priority 3.

Oakfield Junior School

The school has the same oversubscription criteria as priorities 1 to 5 above, however, they have an additional criteria (7 in total). Criteria 6 is also different from that above. Please see below;

Criteria 1 to 5 Same as criteria 1 to 5 above.

Criteria 6 Children that attend Oakfield Infant School.

Criteria 7 All other children.

Address

For the purposes of deciding whether a child lives in the catchment area of a school we will use the parent or legal guardian's address or the address of a relevant adult who has parental responsibility, as defined under the 1989 Children's Act, for the child.

Tie breaker

If, within any of the above criteria, there are more applicants than places available priority will be given to those children based on the distance they live from the school, measured 'as the crow flies' i.e. in a straight line from the centre of the home residence to the school's main entrance. Children living nearest to the school will have priority. We measure the distance using a geographical information system (GIS). Where two or more applicants share the exact same distance, a random allocation process will be used to determine the ranked order of the applications in question.

Waiting list

If places become available we will consider all relevant applications based on a waiting list. The waiting list will be maintained by the council from the start of the academic year and be kept for the rest of the academic year. All applicants on the waiting list are placed according to the admission criteria and priorities set out above. However children who are the subject of a direction to admit by the LA or who have been referred for admission and have been offered a place through the Fair Access Protocol will take precedence over any child on the waiting list.

Important Dates

The closing date for the return of applications is Tuesday **15 January 2019**.

From Monday 10th September 2018 you can apply for a place in a reception or Junior class for admission in September 2019 by applying on-line at www.gateshead.gov.uk you must submit your application by no later than **Tuesday 15 January 2019**. If you live outside of Gateshead and want to apply to a Gateshead school you must obtain an application form from your own Council and return it to them by their closing date or apply through their on-line application system. However you must still consider the information in Gateshead Council's "Admission to Primary school" booklet so that you know what the admission arrangements are to Gateshead schools. This information is available at www.gateshead.gov.uk Your own Council will send us notification of your application and they will let you know the final offer of a school place for your child.

Voluntary Aided School Admission Policies 2019/2020

Corpus Christi Catholic Primary School Admission Policy 2019/2020

Corpus Christi Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The admission policy criteria will be dealt with on an equal preference basis.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the coordination of admission arrangements during the normal admission round for reception year admission in September.

Parishes served by the school

The school serves the parishes of Corpus Christi and Holy Rosary, Gateshead.

Published Admission Number

The governing body has set its published admission number (PAN) at 29 pupils to be admitted to [the reception year] in the school year which begins in September 2019.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round (not in-year applications), a Common Application Form (CAF) must be completed. This is available from the local authority in which the child lives.

The parent will be advised of the outcome of the application on 16 April or the next working day, by the local authority. If the application is unsuccessful (unless the child gained a place at a school the parent ranked higher) the parent will be informed of the decision, related to the oversubscription criteria listed above, and has the right of appeal to an independent appeal panel.

If the parent is required to provide supplemental evidence to support the application (e.g. a baptismal certificate), this evidence should be provided at the time of application. If not provided, evidence may be sought by the governing body following the closing date for applications. This information must have been correct at the date of closing for applications.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15 January 2019.

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs (see note 1)

The admission of pupils with an Education, Health and Care Plan or a Statement of Educational Needs is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan or a Statement of Special Educational Needs that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Late Applications

Late applications will be administered in accordance with the home local authority Primary Coordinated Admissions Scheme. Parents are advised to ensure that the application is submitted before the closing date.

Admission of Children below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory

school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school in writing, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

Any such request should be made in writing to the headteacher of the school. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Summer Born Children

The parents of a summer born child, i.e. a child born between 1 April and 31 August, may request that the child be admitted out of their normal age group, to the reception class in the September following their fifth birthday and that that the child will remain in this cohort as they progress through school.

Parents who want to make this request should make an application for their child's normal age group at the usual time. The application to the local authority should include this request and in addition it should be made in writing to the headteacher of the school. The local authority will liaise with the governing body that will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher, who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Parents will be informed of the outcome of the request before primary national offer day.

If the request is agreed by the governing body, the application for the normal age group may be withdrawn before a place is offered. If the request is refused, the parent must decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in year application for admission to year one for the September following the child's fifth birthday.

Where a parent's request is agreed, they must make a new application as part of the main admissions round the following year.

One admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. Parents, therefore, should consider whether to request admission out of the normal year group at all their preference schools, rather than just their first preference schools.

Waiting Lists

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term. Inclusion on the school's waiting list does not mean that a place will eventually become available.

Infant Class Size Regulations

Infant classes may not, by law, contain more than 30 pupils with a single qualified teacher (subject to the provisions in the School Admissions Code for 'excepted children'). Parents do have a right of appeal in accordance with the infant class size regulations if the school is oversubscribed and their child is refused a place.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. For information on making an in-year application, parents should contact the local authority, Education Support Service, Dryden Centre, Evistones Road, Low Fell, NE9 5UR on 0191 433 8589. Parents will be advised of the outcome of their application in writing.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, a request can be made that the child is added to the waiting list (see above).

The parent has the right of appeal to an independent appeal panel if refused a place.

Right of Appeal

Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have

a statutory right of appeal. Further details of the appeals process are available by writing to the chair of governors at the school address.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the diocese and the governing body for the current school year. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the reception class of the school must be made in the normal way, to the home local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

False evidence

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school, the place itself, where it is satisfied that the offer or place was obtained by deception.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

First priority in each category will be given to children who will have an older sibling attending the school in September 2019.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parishes of Corpus Christi and Holy Rosary. (see note 3)
3. Other Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Children of other Christian denominations whose membership is evidenced by a minister or faith leader. (see note 6)
7. Children of other faiths whose membership is evidenced by a minister or faith leader. (see note 7)
8. Any other children.

Tie Breaker

Where there are places available for some, but not all applicants within a particular criterion priority will be given to children living closest to the school determined by the shortest distance. Distance will be measured as the crow flies in a straight line from the centre of the home residence to the main entrance of the school, (using the Local Authority's computerised measuring system).

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

Please see notes and definitions on pages 68-69.

Sacred Heart Catholic Primary School

Admission Policy 2019/2020

Admission Arrangements for Sacred Heart Catholic Primary School in September 2019-20

Sacred Heart Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and articles of association, and seeks at all times to be a witness to Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We, therefore, hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

1. The Admission Authority

- 1.1. Sacred Heart RC Primary School Byermoor is a member of the St Thomas More Partnership of Schools.
- 1.2. The governing body is the Admissions Authority. The Admissions Authority for Sacred Heart is therefore the Board of Directors of the St Thomas More Partnership of Schools, who are responsible for determining the school's admissions arrangements.

2. Catchment Area

- 2.1. The catchment area for Sacred Heart RC Primary School Byermoor is the parish of Sacred Heart Byermoor.
- 2.2. A map showing the boundary of the parish is available on the school website and from the St Thomas More Partnership of Schools website.

3. Published Admission Number

- 3.1. The School will admit 26 pupils into reception in September 2019.

4. Applications for a place in Reception

- 4.1. Applications procedures and timetables will follow the locally agreed co-ordinated scheme with Gateshead LA. Details on this scheme can be found on the Gateshead Council website.
- 4.2. If there are more places than applicants then all applicants will be accepted.

- 4.3. If there are more applications than places available then the Governors will apply the oversubscription criteria as outlined in section 13 of this policy.
- 4.4. If there are more applicants than available places the School will treat all applications equally, regardless of the order of preference given by the parents. All the applications are placed in order using the oversubscription criteria. Allocation of places is then coordinated by the Local Authority.
- 4.5. Late applications can be made and will be handled as in the Co-ordinated Scheme. Parents are advised to ensure that the application is submitted before the closing date.
- 4.6. The Governors reserve the right to declare an application null and void or to withdraw an offer of a place if any of the information submitted is false.
- 4.7. Parents will be notified on, or around, the 16 April 2019 whether or not their child has been offered a place at the school.
- 4.8. Applicants refused admission into reception are entitled to appeal to an independent appeals panel. Further details of the appeals process are available by writing to the Chair of Governors at the school address.
- 4.9. Infant classes may not, by law, contain more than 30 pupils with a single qualified teacher (subject to the provisions in the School Admissions Code for 'excepted children'). Parents do have a right of appeal in accordance with the infant class size regulations if the school is oversubscribed and their child is refused a place.

5. Admission of Children below Compulsory School Age and Deferred Entry

- 5.1. A child is entitled to a full-time place in the September following their fourth birthday. A request may be made for the date at which a child, below compulsory school age, is admitted to the school, to be deferred to later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age.
- 5.2. Upon receipt of the offer of a place a parent should notify the school in writing, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

6. Admission of Children outside their Normal Age Group

- 6.1. A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.
- 6.2. Any such request should be made in writing to the Head Teacher of the school. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the Head Teacher who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

7. Summer Born Children

- 7.1. The parents of a summer born child, i.e. a child born between 1 April and 31 August, may request that the child be admitted out of their normal age group, to the reception class in the September following their fifth birthday and that that the child will remain in this cohort as they progress through school.
- 7.2. Parents who want to make this request should make an application for their child's normal age group at the usual time. The application to the local authority should include this request and in addition it should be made in writing to the Head Teacher of the school. The local authority will liaise with the governing body who will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the Head Teacher, who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.
- 7.3. Parents will be informed of the outcome of the request before primary national offer day.
- 7.4. If the request is agreed by the governing body, the application for the normal age group may be withdrawn before a place is offered. If the request is refused, the parent must decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in year application for admission to year one for the September following the child's fifth birthday.
- 7.5. Where a parent's request is agreed, they must make a new application as part of the main admissions round the following year.
- 7.6. One admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. Parents, therefore, should consider whether to request admission out of the normal year group at

all their preference schools, rather than just their first preference schools.

8. Fair Access Protocol

- 8.1. The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the Diocese and the governing body for the current school year. The governing body has this power, even when admitting the child would mean exceeding the published admission number.

9. Waiting List

- 9.1. If the school has reached its admission number a Waiting List will be maintained from 12 May 2019.
- 9.2. Any parent can request that their child be placed on the waiting list.
- 9.3. Children will be placed on the waiting list according to the oversubscription criteria.
- 9.4. The date of application, and the date the child is placed on the list, will not be used in any selection process.
- 9.5. The school will continue to maintain the waiting list during the corresponding school year and outside the normal year of entry.
- 9.6. Pupils who are allocated a place at the school under the Local Authority's Fair Access Protocol must take precedence over all those on the waiting list.
- 9.7. Inclusion on the school's waiting list does not mean that a place will eventually become available.

10. Repeat Applications

- 10.1. Repeat applications for entry into a particular year group in the same academic year will not be considered unless there is a material change in the circumstances of the child or parent. An application may be made for a subsequent academic year.
- 10.2. A material change in circumstance may be a change of address or a change in the baptismal status of the child.

11. In year applications

- 11.1. An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. For information on making an in-year application, parents should contact the local authority, Education Support Service, Dryden Centre, Evistones Road, Low Fell, NE9 5UR on 0191 433 8589.
- 11.2. Where there are places available but more applications than places, the published oversubscription criteria will be applied.

11.3. If there are no places available, a request can be made that the child is added to the waiting list (see above).

12. Right of Appeal

12.1. Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the Chair of Governors at the school address.

13. Oversubscription Criteria

13.1. Children with an Education, Health and Care plan or a statement of Special Educational Need

The admission of pupils with an Education, Health and Care Plan or a Statement of Educational Needs is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan or a Statement of Special Educational Needs that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Order of Priority	Oversubscription Criteria	How verified
1	Looked after children and previously looked after children.	See notes 14.2 and 14.3
2	Catholic children whose home address is within the catchment area served by the school.	See notes 14.3 and 14.9
3	Catholic children whose home address is outside of the catchment area served by the school.	See note 14.3 and 14.9

7	Children of another Christian denomination and whose home address is outside the catchment area served by the school.	See notes 14.6 and 14.9
8	All other children.	

14. Additional Notes

14.1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child. A Statement of Special Educational Needs is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision for a child.

14.2. A **looked after child** has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school. A **previously looked after child** is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order.

14.3. **Definition of Catholic:** a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism or reception should contact their parish priest who, after consulting with the Diocese, will decide how the question of baptism or reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church. The school will require to see the baptismal certificate of all children claiming to be Catholic, please

include a copy of the Baptismal Certificate with your application.

- 14.4. **Catechumen** means a member of the catechumenate of a Catholic Church. For the purposes of admissions this refers to the child on whose behalf the application is being made. This will normally be evidenced by a certificate of reception into the order of catechumens.
- 14.5. **Eastern Christian Church** includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church. Those who have difficulty obtaining written evidence of baptism or reception should contact the Diocese who will decide how the question of baptism or reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church.
- 14.6. **Definition of other Christian denominations:** children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above. All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

Applicants must provide a baptismal certificate or where child baptism is not practised, a letter confirming their church membership from their minister or faith leader.

- 14.7. **Definition of Sibling:** Sibling means a child who lives as a brother or sister in the same house, including natural brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, half brothers or sisters, foster brothers or sisters whether or not they are living at the same address; and the child of a parent's partner where that child lives for a least part of the week in the same family unit at the same address as the applicant. It also includes natural brothers or sisters where the child for whom the school place is sought is not living in the same family unit at the same address as that sibling.
- 14.8. Where there are places available for some, but not all applicants within a particular criterion priority will be given to children living closest to the school determined by the shortest distance. Distance will be measured as the crow flies in a straight line from the centre of the home residence to the main entrance of the school, (using the Local Authority's computerised measuring system).

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

- 14.9. Home Address is the parental address which will be used in applying the admission criteria. This means that, when stating your choice of school, you should give the parental/guardian address at the time of application. The address of childminders or other family members who may share in the care of the child must not be used as the home address. Documentary evidence may be requested.

St Agnes' Catholic Primary School

Admission Policy 2019/2020

St Agnes' Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The admission policy criteria will be dealt with on an equal preference basis.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the coordination of admission arrangements during the normal admission round for reception year admission in September.

Parishes served by the school

The school serves the parish of St Agnes', Crawcrook.

Published Admission Number

The governing body has set its published admission number (PAN) at 30 pupils to be admitted to the Reception class in the school year which begins in September 2019.

Children with an Education, Health and Care plan or a statement of Special Educational Need

Children who have an Education, Health and Care (EHC) plan or a statement of Special Educational Need where the school is named as the most appropriate educational setting for the child will be admitted.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round (not in-year applications), a Common Application Form (CAF) must be completed. This is available from the local authority in which the child lives.

The parent will be advised of the outcome of the application on 16 April or the next working day, by the

local authority. If the application is unsuccessful (unless the child gained a place at a school the parent ranked higher) the parent will be informed of the decision, related to the oversubscription criteria listed above, and has the right of appeal to an independent appeal panel.

If the parent is required to provide supplemental evidence to support the application (e.g. a baptismal certificate), this evidence should be provided at the time of application. If not provided, evidence may be sought by the governing body following the closing date for applications. This information must have been correct at the date of closing for applications.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15 January 2019.

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs (see note 1)

The admission of pupils with an Education, Health and Care Plan or a Statement of Educational Needs is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan or a Statement of Special Educational Needs that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Late Applications

Late applications will be administered in accordance with the home local authority Primary Coordinated Admissions Scheme. Parents are advised to ensure that the application is submitted before the closing date.

Admission of Children below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school in writing, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

Any such request should be made in writing to the headteacher of the school. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Summer Born Children

The parents of a summer born child, i.e. a child born between 1 April and 31 August, may request that the child be admitted out of their normal age group, to the reception class in the September following their fifth birthday and that that the child will remain in this cohort as they progress through school.

Parents who want to make this request should make an application for their child's normal age group at the usual time. The application to the local authority should include this request and in addition it should be made in writing to the headteacher of the school. The local authority will liaise with the governing body who will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher, who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Parents will be informed of the outcome of the request before primary national offer day.

If the request is agreed by the governing body, the application for the normal age group may be withdrawn before a place is offered. If the request is refused, the parent must decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in year application for admission to year one for the September following the child's fifth birthday.

Where a parent's request is agreed, they must make a new application as part of the main admissions round the following year.

One admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. Parents, therefore, should consider whether to request admission out of the normal year group at all their preference schools, rather than just their first preference schools.

Waiting Lists

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term. Inclusion on the school's waiting list does not mean that a place will eventually become available.

Infant Class Size Regulations

Infant classes may not, by law, contain more than 30 pupils with a single qualified teacher (subject to the provisions in the School Admissions Code for 'excepted children'). Parents do have a right of appeal in accordance with the infant class size regulations if the school is oversubscribed and their child is refused a place.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. For information on making an in-year application, parents should contact the local authority, Education Support Service, Dryden Centre, Evistones Road, Low Fell, NE9 5UR on 0191 433 8589.

Where there are places available but more applications than places, the published oversubscription criteria will be applied.

If there are no places available, a request can be made that the child is added to the waiting list (see above).

Right of Appeal

Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the chair of governors at the school address.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the diocese and the governing body for the

current school year. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

False Evidence

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school, the place itself, where it is satisfied that the offer or place was obtained by deception.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

First priority in each category will be given to children who will have an older sibling attending the school in September 2019.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parish of St Agnes', Crawcrook. (see note 3)
3. Other Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Children who have an older sibling attending the school in September 2019 (see note 9)
7. Children of other Christian denominations whose membership is evidenced by a minister or faith leader. (see note 6)
8. Children of other faiths whose membership is evidenced by a minister or faith leader. (see note 7)
9. Any other children.

Tie Breaker

Where there are places available for some, but not all applicants within a particular criterion priority will be given to children living closest to the school determined by the shortest distance. Distance will be measured as the crow flies in a straight line from the centre of the home residence to the main entrance of the school, (using the Local Authority's computerised measuring system).

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

Please see notes and definitions on pages 68-69.

St Aidan's Church of England Primary School

Admission Policy 2019/2020

The Governing Body of St Aidan's Church of England Primary School is the Admissions Authority for the school and they intend to admit up to 30 pupils to the Reception year group in September 2019. This arrangement follows consultation between the Governing Body, the LA, all other schools in the area and all other Admission Authorities in the area.

In the event of the number of applications exceeding the number of places available priority will be given to applications in the order of priority indicated below.

Over-Subscription Criteria

1. Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order (see definitions below).
2. Children with at least one parent who worships in a Church of England congregation in the Parish of Bensham and Teams who will have a brother or sister at the school at the time of admission (see definitions below)
3. Other Children with a brother or sister at the school at the time of admission
4. Children with at least one parent who worships in a Church of England congregation in the Parish of Bensham and Teams (see definitions below)
5. Children with at least one parent who worships in another faith community in the Parish of Bensham and Teams (see definitions below)
6. Children who have exceptional medical or social needs (see definitions below)
7. Children of parents living within the Parish of Bensham and Teams.
8. Other children

Tie Breaker

Where there are places available for some but not all applicants within a particular priority, distance from the home to school will be the deciding factor, with preference given to those applicants who live nearest the school when measured in a straight line (i.e. as the crow flies) from the centre of the home residence to the school's main entrance. Gateshead Local Authority support the school in the use of their computerised measuring system if necessary.

Waiting List

A waiting list will be maintained if the school is oversubscribed. If places subsequently become available after the closing date places will be allocated from those applicants on the waiting list. The waiting list will be maintained according to the admission criteria above up to the end of the Autumn Term in the relevant academic year.

Other Information

We reserve the right to seek proof of address where relevant.

Children who have a statement of Special Educational Need or Education Health and Care Plan which names our school will be admitted to the school.

Admission of children below compulsory school age and deferred entry to school

The School Admissions Code requires school admission authorities to provide for the admission of all children in the September following their fourth birthday. However, a child is not required to start school until they have reached compulsory school age following their fifth birthday. For summer born children (those born after 1 April) this can sometimes be almost a full school year after the point at which they could first be admitted.

Some parents may feel that their child is not ready to start school in the September following their fourth birthday. Parents are entitled to request in writing that:-

- their child attends part-time until they reach compulsory school age, or
- that the date their child is admitted to school is deferred until later in the same academic year or until the term in which the child reaches compulsory school age
- **the school will hold any deferred place for the child, although, in the majority of cases, we find that children benefit from starting at the beginning of the school year, rather than part way through it.**
- that the date their child is admitted to school is deferred until the term after the child reaches compulsory school age.

The child must, however, start school full-time in the term after their fifth birthday.

If parents of summer born children wish to defer entry as outlined above and wish them to be admitted to the Reception Year in the term following their fifth birthday, rather than year 1, then parents should apply at the usual time for a place in September of the current academic

year together with a written request that the child is admitted outside of his or her normal age group to the Reception Year in September the following year providing supporting reasons for seeking a place outside of the normal age group. This should be discussed with the Head Teacher as soon as possible. If their request is agreed, and this should be clear before the national offer day, their application for the normal age group may be withdrawn before any place is offered and they should reapply in the normal way for a Reception place in the following year.

If their request is refused, the parents must decide whether to wait for any offer of a place in the current academic year (NB it will still be subject to the oversubscription criteria in this policy) or to withdraw their application and apply for a year 1 place the following year. Parents should be aware that the Year 1 group may have no vacancies as it could be full with children transferring from the previous Reception Year group. Requests from parents for places outside a normal age group will be considered carefully e.g. for those who have missed education due to ill health. Each case will be considered on its own merits and circumstances.

However, such admissions will not normally be agreed without a consensus that to do so would be in the pupil's interests. It is recommended that parents discuss their wishes with the head teacher in advance of applying for a place.

The governors may ask relevant professionals for their opinion on the case. It should be noted that if a place in the requested age group is refused, but one in the normal age group is offered then there is no right of appeal.

Further information and advice on the admission of summer born children is available from School Admissions, Education Support Team, Dryden Centre, Gateshead NE9 5UR

A map showing the parish boundaries can be inspected in the school office and on the school website – www.staidansprimary.co.uk

Nursery admissions are entirely separate and parents are asked to note that attendance at the school's Nursery does not guarantee a place in the Reception Class.

Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available from the school. An appeals timetable is available on the school website www.staidansprimary.co.uk

The Admissions Policy Criteria will be applied on an Equal Preference basis. This means that the Admission Policy Criteria will be applied to every child who makes an application to attend our school.

If relevant where an application was originally considered on the basis of false information provided by the parent (e.g. fraudulent information about address or church attendance) then the Governing Body reserves the right to place the child in a much lower category based on the established facts. Where a parent fails to provide evidence

requested by the Governing Body then the application will be considered and placed in the relevant criteria based only on the information provided. An offer of a place provided on the basis of fraudulent evidence may be subsequently withdrawn if found to have denied a place to a child who was more eligible for the place under the admission criteria.

Parents will be notified as to whether or not their child has been allocated a place by 16 April 2019.

Definitions

- **'Looked After Child'** is a child who is in the care of the local authority in accordance with Section 22 of the Children Act 1989 at the time the application for admission to school is made and whom the local authority has confirmed will still be 'looked after' at the date of admission.
- An **'adoption order'** is an order made under section 46 of the Adoption and Children Act 2002.
- A **'residence order'** is an order outlining the arrangements as to the person with whom the child will live under section 8 of the Children Act 1989.
- A **'special guardianship order'** is an order appointing one or more individuals to be a child's special guardian or guardians.
- If applicants are seeking admission under the criterion of worshipping regularly at a Parish Church or other Christian church, they will be asked to provide evidence that they worship regularly, eg a letter from the incumbent. (Regularly and frequently is defined as attendance at least once per month over the last twelve months. It is sufficient for one parent/carer to attend).
- If applicants are seeking admission under the criterion of special medical needs or other special circumstances, they will be asked to provide appropriate evidence, eg a letter from a doctor or specialist. The evidence must clearly demonstrate why the school is the only school that can meet the child's needs.
- It should explain the difficulties that would arise if the child has to attend an alternative school. This evidence must be submitted with the application on or before the closing date. The governors must be satisfied that there is a specified medical reason which makes attendance at this school essential.
- **Multiple Births** – Where there are more applications than places, children from multiple births will be given priority within each criterion. If a further tie break is necessary, distance between home and school will be used to prioritise applications.

St. Alban's Catholic Primary School

Admission Policy 2019/2020

St. Alban's Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The admission policy criteria will be dealt with on an equal preference basis.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the coordination of admission arrangements during the normal admission round for reception year admission in September.

Parishes served by the school

The school serves the parishes of St. Alban's, Pelaw and St. Patrick's, Felling

Published Admission Number

The governing body has set its published admission number (PAN) at 30 pupils to be admitted to Reception in the school year which begins in September 2019.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round (not in-year applications), a Common Application Form (CAF) must be completed. This is available from the local authority in which the child lives.

The parent will be advised of the outcome of the application on 16 April or the next working day, by the local authority. If the application is unsuccessful (unless the child gained a place at a school the parent ranked higher) the parent will be informed of the decision, related to the oversubscription criteria listed above, and has the right of appeal to an independent appeal panel.

If the parent is required to provide supplemental evidence to support the application (e.g. a baptismal certificate), this evidence should be provided at the time of application. If

not provided, evidence may be sought by the governing body following the closing date for applications. This information must have been correct at the date of closing for applications.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15 January 2019.

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs (see note 1)

The admission of pupils with an Education, Health and Care Plan or a Statement of Educational Needs is dealt with by a completely separate procedure.

Children with an Education, Health and Care Plan or a Statement of Special Educational Needs that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Late Applications

Late applications will be administered in accordance with the home local authority Primary Coordinated Admissions Scheme. Parents are advised to ensure that the application is submitted before the closing date.

Admission of Children below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school in writing, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

Any such request should be made in writing to the headteacher of the school. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Summer Born Children

The parents of a summer born child, i.e. a child born between 1 April and 31 August, may request that the child be admitted out of their normal age group, to the reception class in the September following their fifth birthday and that that the child will remain in this cohort as they progress through school.

Parents who want to make this request should make an application for their child's normal age group at the usual time. The application to the local authority should include this request and in addition it should be made in writing to the headteacher of the school. The local authority will liaise with the governing body that will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher, who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Parents will be informed of the outcome of the request before primary national offer day. If the request is agreed by the governing body, the application for the normal age group may be withdrawn before a place is offered. If the request is refused, the parent must decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in year application for admission to year one for the September following the child's fifth birthday.

Where a parent's request is agreed, they must make a new application as part of the main admissions round the following year.

One admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. Parents, therefore, should consider whether to request admission out of the normal year group at all their preference schools, rather than just their first preference schools.

Waiting Lists

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the

school year. The waiting list will be held open until the last day of the summer term. Inclusion on the school's waiting list does not mean that a place will eventually become available.

Infant Class Size Regulations

Infant classes may not, by law, contain more than 30 pupils with a single qualified teacher (subject to the provisions in the School Admissions Code for 'excepted children'). Parents do have a right of appeal in accordance with the infant class size regulations if the school is oversubscribed and their child is refused a place.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. For information on making an in-year application, parents should contact the local authority, Education Support Service, Dryden Centre, Evistones Road, Low Fell, NE9 5UR on 0191 433 8589.

Where there are places available but more applications than places, the published oversubscription criteria will be applied.

If there are no places available, a request can be made that the child is added to the waiting list (see above).

Right of Appeal

Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the chair of governors at the school address.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the diocese and the governing body for the current school year. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the reception class of the school must be made in the

normal way, to the home local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

False evidence

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school, the place itself, where it is satisfied that the offer or place was obtained by deception.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

First priority in each category will be given to children who will have an older sibling attending the school in September 2019.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic Children with a Certificate of Catholic Practice who are resident in the parishes of St. Alban's, Pelaw and St. Patrick's, Felling (see notes 3&4)
3. Other Catholic children who are resident in the parishes of St. Alban's, Pelaw and St. Patrick's, Felling (see note 3)
4. Other Catholic children.
5. Other looked after and previously looked after children. (see note 2)
6. Catechumens and members of an Eastern Christian Church. (see notes 5&6)
7. Any other children.

Tie Breaker

Where there are places available for some, but not all applicants within a particular criterion priority will be given to children living closest to the school determined by the shortest distance. Distance will be measured as the crow flies in a straight line from the centre of the home residence to the main entrance of the school, (using the Local Authority's computerised measuring system).

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

Notes and definitions

1. A **Statement of Special Educational Needs** is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision for a child. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.

2. A **looked after child** has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A **previously looked after child** is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order.

3. **Catholic** means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their parish priest who, after consulting with the diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. **Certificate of Catholic Practice** means a certificate issued by the family's parish priest (or the priest in charge of the church where the family attends Mass) in the form laid down by the Bishops' Conference of England and Wales. It will be issued if the priest is satisfied that at least one Catholic parent or carer (along with the child, if he or she is over seven years old) have (except when it was impossible to do so) attended Mass on Sundays and holy days of obligation for at least five years (or, in the case of a child, since the age of seven, if shorter). It will also

be issued when the practice has been continuous since being received into the Church if that occurred less than five years ago. It is expected that most Certificates will be issued on the basis of attendance. A Certificate may also be issued by the priest when attendance is interrupted by exceptional circumstances which excuse from the obligation to attend on that occasion or occasions. Further details of these circumstances can be found in the guidance issued to priests. This can be found at www.edurcdhn.org.uk

5. **Catechumen** means a member of the catechumenate of a Catholic Church. For the purposes of admissions this refers to the child on whose behalf the application is being made. This will normally be evidenced by a certificate of reception into the order of catechumens.

6. **Eastern Christian Church** includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church. Those who have difficulty obtaining written evidence of baptism or reception should contact the Diocese who will decide how the question of baptism or reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

7. **Home address** is the primary parental address which will be used in applying the admission criteria. This means that, when stating the choice of school, the parental address at the time of application should be given. The address of childminders or other family members who may share in the care of the child must not be used as the home address. Documentary evidence may be requested.

8. **Sibling** includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
- (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.

9. A **parent** means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child (having care of a child means that the child lives with and is looked after by that person).

This policy should be read in conjunction with the local authority's admission guidance for parents.

Right of Appeal

Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the chair of governors at the school address.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the diocese and the governing body for the current school year. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the reception class of the school must be made in the normal way, to the home local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

False evidence

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school, the place itself, where it is satisfied that the offer or place was obtained by deception.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

First priority in each category will be given to children who will have an older sibling attending the school in September 2019.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parish of St Augustine, Leam Lane, Gateshead. (see note 3)
3. Other Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Children of other Christian denominations whose membership is evidenced by a minister or faith leader. (see note 6)
7. Children of other faiths whose membership is evidenced by a minister or faith leader. (see note 7)
8. Any other children.

Tie Breaker

Where there are places available for some, but not all applicants within a particular criterion priority will be given to children living closest to the school measured as the crow flies, in a straight line from the centre of the home residence to the main entrance of the school, (using the Local Authority's computerised measuring system).

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

St Joseph's Catholic Infant School, Birtley

Admission Policy 2019/2020

St Joseph's Catholic Infant School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The admission policy criteria will be dealt with on an equal preference basis.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the coordination of admission arrangements during the normal admission round for reception year admission in September.

Parishes served by the school

The school serves the parish of St Joseph's Birtley.

Published Admission Number

The governing body has set its published admission number (PAN) at 30 pupils to be admitted to [the reception year] in the school year which begins in September 2019.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round (not in-year applications), a Common Application Form (CAF) must be completed. This is available from the local authority in which the child lives.

The parent will be advised of the outcome of the application on 16 April or the next working day, by the local authority. If the application is unsuccessful (unless the child gained a place at a school the parent ranked higher) the parent will be informed of the decision, related to the oversubscription criteria listed above, and has the right of appeal to an independent appeal panel.

If the parent is required to provide supplemental evidence to support the application (e.g. a baptismal

certificate), this evidence should be provided at the time of application. If not provided, evidence may be sought by the governing body following the closing date for applications. This information must have been correct at the date of closing for applications.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15 January 2019.

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs (see note 1)

The admission of pupils with an Education, Health and Care Plan or a Statement of Educational Needs is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan or a Statement of Special Educational Needs that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Late Applications

Late applications will be administered in accordance with the home local authority Primary Coordinated Admissions Scheme. Parents are advised to ensure that the application is submitted before the closing date.

Admission of Children below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school in writing, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

Any such request should be made in writing to the headteacher of the school. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Summer Born Children

The parents of a summer born child, i.e. a child born between 1 April and 31 August, may request that the child be admitted out of their normal age group, to the reception class in the September following their fifth birthday and that that the child will remain in this cohort as they progress through school.

Parents who want to make this request should make an application for their child's normal age group at the usual time. The application to the local authority should include this request and in addition it should be made in writing to the headteacher of the school. The local authority will liaise with the governing body that will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher, who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Parents will be informed of the outcome of the request before primary national offer day.

If the request is agreed by the governing body, the application for the normal age group may be withdrawn before a place is offered. If the request is refused, the parent must decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in year application for admission to year one for the September following the child's fifth birthday.

Where a parent's request is agreed, they must make a new application as part of the main admissions round the following year.

One admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. Parents, therefore, should consider whether to request admission out of the normal year group at all their preference schools, rather than just their first preference schools.

Waiting Lists

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the

list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term. Inclusion on the school's waiting list does not mean that a place will eventually become available.

Infant Class Size Regulations

Infant classes may not, by law, contain more than 30 pupils with a single qualified teacher (subject to the provisions in the School Admissions Code for 'excepted children'). Parents do have a right of appeal in accordance with the infant class size regulations if the school is oversubscribed and their child is refused a place.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. For information on making an in-year application, parents should contact the local authority, Education Support Service, Dryden Centre, Evistones Road, Low Fell, NE9 5UR on 0191 433 8589. Parents will be advised of the outcome of their application in writing.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, a request can be made that the child is added to the waiting list (see above).

The parent has the right of appeal to an independent appeal panel if refused a place.

Right of Appeal

Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the chair of governors at the school address.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the diocese and the governing body for the current school year. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

For children attending the school's nursery, application to the reception class of the school must be made in the normal way, to the home local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

False evidence

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school, the place itself, where it is satisfied that the offer or place was obtained by deception.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

First priority in each category will be given to children who will have an older sibling attending Birtley St Joseph's Infant school or at St Joseph's Catholic Junior School in September 2019.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parish of St Joseph's Birtley (see note 3)
3. Other Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Children of a member of school staff who has been employed at the school for two or more years at the time at which application for admission to the school is made (see note 9)
7. Children of other Christian denominations whose membership is evidenced by a minister or faith leader. (see note 6)
8. Children of other faiths whose membership is evidenced by a minister or faith leader. (see note 7)
9. Any other children.

Tie Breaker

Where there are places available for some, but not all applicants within a particular criterion priority will be given to children living closest to the school measured as the crow flies, in a straight line from the centre of the home residence to the main entrance of the school, (using the Local Authority's computerised measuring system).

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

Notes and definitions

1. A **Statement of Special Educational Needs** is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision for a child. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.

2. A **looked after child** has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A **previously looked after child** is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order.

3. **Catholic** means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their parish priest who, after consulting with the diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. **Catechumen** means a member of the catechumenate of a Catholic Church. For the purposes of admissions this refers to the child on whose behalf the application is being made. This will normally be evidenced by a certificate of reception into the order of catechumens.

5. **Eastern Christian Church** includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church. Those who have difficulty obtaining written evidence of baptism or reception should contact the Diocese who will decide how the question of baptism or reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

6. **Children of other Christian denominations** means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory

of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTUN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

Applicants must provide a baptismal certificate or where child baptism is not practised, a letter confirming their church membership from their minister or faith leader.

7. **Children of other faiths** means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

Applicants must provide a letter of support to confirm their faith membership from their minister or faith leader.

8. **Home address** is the primary parental address which will be used in applying the admission criteria. This means that, when stating the choice of school, the parental address at the time of application should be given. The address of childminders or other family members who may share in the care of the child must not be used as the home address. Documentary evidence may be requested.

9. **Sibling** includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
- (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.

10. A **parent** means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child (having care of a child means that the child lives with and is looked after by that person).

11. A **member of staff** includes all school staff who are under the direct employment of the governing body of the school.

This policy should be read in conjunction with the local authority's admission guidance for parents.

Summer Born Children

The parents of a summer born child, i.e. a child born between 1 April and 31 August, may request that the child be admitted out of their normal age group, to the reception class in the September following their fifth birthday and that that the child will remain in this cohort as they progress through school.

Parents who want to make this request should make an application for their child's normal age group at the usual time. The application to the local authority should include this request and in addition it should be made in writing to the headteacher of the school. The local authority will liaise with the governing body that will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher, who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Parents will be informed of the outcome of the request before primary national offer day.

If the request is agreed by the governing body, the application for the normal age group may be withdrawn before a place is offered. If the request is refused, the parent must decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in year application for admission to year one for the September following the child's fifth birthday.

Where a parent's request is agreed, they must make a new application as part of the main admissions round the following year.

One admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. Parents, therefore, should consider whether to request admission out of the normal year group at all their preference schools, rather than just their first preference schools.

Waiting Lists

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the

school year. The waiting list will be held open until the last day of the summer term. Inclusion on the school's waiting list does not mean that a place will eventually become available.

Infant Class Size Regulations

Infant classes may not, by law, contain more than 30 pupils with a single qualified teacher (subject to the provisions in the School Admissions Code for 'excepted children'). Parents do have a right of appeal in accordance with the infant class size regulations if the school is oversubscribed and their child is refused a place.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. For information on making an in-year application, parents should contact the local authority, Education Support Service, Dryden Centre, Evistones Road, Low Fell, NE9 5UR on 0191 433 8589. Parents will be advised of the outcome of their application in writing.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, a request can be made that the child is added to the waiting list (see above).

The parent has the right of appeal to an independent appeal panel if refused a place.

Right of Appeal

Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the chair of governors at the school address.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the diocese and the governing body for the current school year. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

False evidence

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school, the place itself, where it is satisfied that the offer or place was obtained by deception.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

First priority in each category will be given to children who will have an older sibling attending the school in September 2019.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parishes of St Anne's Winlaton and St Joseph's, Blaydon (see note 3)
3. Other Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Children of other Christian denominations whose membership is evidenced by a minister or faith leader. (see note 6)
7. Children of other faiths whose membership is evidenced by a minister or faith leader. (see note 7)
8. Any other children.

Tie Breaker

Where there are places available for some, but not all applicants within a particular criterion priority will be given to children living closest to the school measured as the crow flies, in a straight line from the centre of the home residence to the main entrance of the school, (using the Local Authority's computerised measuring system).

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

St. Joseph's RC VA Primary School, Gateshead

Admission Policy 2019/2020

St Joseph's RC VA Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The admission policy criteria will be dealt with on an equal preference basis.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the coordination of admission arrangements during the normal admission round for reception year admission in September.

Parishes served by the school

The school serves the parish of St Joseph's, Gateshead.

Published Admission Number

The governing body has set its published admission number (PAN) at 30 pupils to be admitted to the reception year in the school year which begins in September 2019.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round (not in-year applications), a Common Application Form (CAF) must be completed. This is available from the local authority in which the child lives.

The parent will be advised of the outcome of the application on 16 April or the next working day, by the local authority. If the application is unsuccessful (unless the child gained a place at a school the parent ranked higher) the parent will be informed of the decision, related to the oversubscription criteria listed above, and has the right of appeal to an independent appeal panel.

If the parent is required to provide supplemental evidence to support the application (e.g. a baptismal certificate), this evidence should be provided at the time

of application. If not provided, evidence may be sought by the governing body following the closing date for applications. This information must have been correct at the date of closing for applications.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15 January 2019.

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs (see note 1)

The admission of pupils with an Education, Health and Care Plan or a Statement of Educational Needs is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan or a Statement of Special Educational Needs that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Late Applications

Late applications will be administered in accordance with the home local authority Primary Coordinated Admissions Scheme. Parents are advised to ensure that the application is submitted before the closing date.

Admission of Children below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school in writing, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

Any such request should be made in writing to the headteacher of the school. The governing body will

make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Summer Born Children

The parents of a summer born child, i.e. a child born between 1 April and 31 August, may request that the child be admitted out of their normal age group, to the reception class in the September following their fifth birthday and that that the child will remain in this cohort as they progress through school.

Parents who want to make this request should make an application for their child's normal age group at the usual time. The application to the local authority should include this request and in addition it should be made in writing to the headteacher of the school. The local authority will liaise with the governing body that will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher, who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Parents will be informed of the outcome of the request before primary national offer day.

If the request is agreed by the governing body, the application for the normal age group may be withdrawn before a place is offered. If the request is refused, the parent must decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in year application for admission to year one for the September following the child's fifth birthday.

Where a parent's request is agreed, they must make a new application as part of the main admissions round the following year.

One admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. Parents, therefore, should consider whether to request admission out of the normal year group at all their preference schools, rather than just their first preference schools.

Waiting Lists

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last

day of the summer term. Inclusion on the school's waiting list does not mean that a place will eventually become available.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, a request can be made that the child is added to the waiting list (see above).

The parent has the right of appeal to an independent appeal panel if refused a place.

Right of Appeal

Admission of Children below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. Upon receipt of the offer of a place a parent should notify the school in writing, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

Any such request should be made in writing to the headteacher of the school. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Summer Born Children

The parents of a summer born child, i.e. a child born between 1 April and 31 August, may request that the child be admitted out of their normal age group, to the reception class in the September following their fifth birthday and that that the child will remain in this cohort as they progress through school.

Parents who want to make this request should make an application for their child's normal age group at the usual time. Parents will be informed of the outcome of the request before primary national offer day.

If the request is agreed by the governing body, the application for the normal age group may be withdrawn before a place is offered. If the request is refused, the parent must decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in year application for admission to year one for the September following the child's fifth birthday.

Where a parent's request is agreed, they must make a new application as part of the main admissions round the following year.

One admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term. Inclusion on the school's waiting list does not mean that a place will eventually become available.

Parents do have a right of appeal in accordance with the infant class size regulations if the school is oversubscribed and their child is refused a place.

For information on making an in-year application, parents should contact the local authority Education Support Service, Dryden Centre, Evistones Road, Low Fell, NE9 5UR on 0191 433 8589. Parents will be advised of the outcome of their application in writing.

Where there are places available but more applications than places, the published oversubscription criteria, as set out below, will be applied.

If there are no places available, a request can be made that the child is added to the waiting list (see above).

The parent has the right of appeal to an independent appeal panel if refused a place.

Right of Appeal

Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the chair of governors at the school address.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered

to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the diocese and the governing body for the current school year. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the reception class of the school should be made in the normal way, to the home local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

False Evidence

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school, the place itself, where it is satisfied that the offer or place was obtained by deception.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

First priority in each category will be given to children who will have an older sibling attending the school in September 2019.

1. Catholic looked after and previously looked after children. (see notes 2 & 3)
2. Catholic Children who are resident in the parish of St. Mary & St. Thomas Aquinas. (see note 3)
3. Other Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4 & 5)
6. Children of other Christian denominations whose membership is evidenced by a minister or faith leader. (see note 6)
7. Children of other faiths whose membership is evidenced by a minister or faith leader. (see note 7)
8. Any other children.

Tie Breaker

Where there are places available for some, but not all applicants within a particular criterion priority will be given to children living closest to the school measured as the crow flies, in a straight line from the centre of the home residence to the main entrance of the school, (using the Local Authority's computerised measuring system).

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

St Mary's RC Primary School

Admission Policy 2019/2020

St Mary's RC Primary School, Whickham was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The admission policy criteria will be dealt with on an equal preference basis.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the coordination of admission arrangements during the normal admission round for reception year admission in September.

Parishes served by the school

The school serves the parishes of St Mary's, Whickham and Immaculate Heart, Lobley Hill (which are now part of the parish of Our Lady and St Philip Neri).

Published Admission Number

The governing body has set its published admission number (PAN) at 30 pupils to be admitted to [the reception year] in the school year which begins in September 2019.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round (not in-year applications), a Common Application Form (CAF) must be completed. This is available from the local authority in which the child lives.

The parent will be advised of the outcome of the application on 16 April or the next working day, by the local authority. If the application is unsuccessful (unless the child gained a place at a school the parent ranked higher) the parent will be informed of the decision, related to the oversubscription criteria listed above, and has the right of appeal to an independent appeal panel.

If the parent is required to provide supplemental evidence to support the application (e.g. a baptismal certificate), this evidence should be provided at the time of application. If not provided, evidence may be sought by the governing body following the closing date for applications. This information must have been correct at the date of closing for applications.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15 January 2019.

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs (see note 1)

The admission of pupils with an Education, Health and Care Plan or a Statement of Educational Needs is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan or a Statement of Special Educational Needs that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Late Applications

Late applications will be administered in accordance with the home local authority Primary Coordinated Admissions Scheme. Parents are advised to ensure that the application is submitted before the closing date.

Admission of Children below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school in writing, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

Any such request should be made in writing to the headteacher of the school. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Summer Born Children

The parents of a summer born child, i.e. a child born between 1 April and 31 August, may request that the child be admitted out of their normal age group, to the reception class in the September following their fifth birthday and that that the child will remain in this cohort as they progress through school.

Parents who want to make this request should make an application for their child's normal age group at the usual time. The application to the local authority should include this request and in addition it should be made in writing to the headteacher of the school. The local authority will liaise with the governing body that will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher, who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Parents will be informed of the outcome of the request before primary national offer day.

If the request is agreed by the governing body, the application for the normal age group may be withdrawn before a place is offered. If the request is refused, the parent must decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in year application for admission to year one for the September following the child's fifth birthday.

Where a parent's request is agreed, they must make a new application as part of the main admissions round the following year.

One admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. Parents, therefore, should consider whether to request admission out of the normal year group at all their preference schools, rather than just their first preference schools.

Waiting Lists

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the

school year. The waiting list will be held open until the last day of the summer term. Inclusion on the school's waiting list does not mean that a place will eventually become available.

Infant Class Size Regulations

Infant classes may not, by law, contain more than 30 pupils with a single qualified teacher (subject to the provisions in the School Admissions Code for 'excepted children'). Parents do have a right of appeal in accordance with the infant class size regulations if the school is oversubscribed and their child is refused a place.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. For information on making an in-year application, parents should contact the local authority, Education Support Service, Dryden Centre, Evistones Road, Low Fell, NE9 5UR on 0191 433 8589. Parents will be advised of the outcome of their application in writing.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, a request can be made that the child is added to the waiting list (see above).

The parent has the right of appeal to an independent appeal panel if refused a place.

Right of Appeal

Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15 January 2019.

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs (see note 1)

The admission of pupils with an Education, Health and Care Plan or a Statement of Educational Needs is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan or a Statement of Special Educational Needs that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Late Applications

Late applications will be administered in accordance with the home local authority Primary Coordinated Admissions Scheme. Parents are advised to ensure that the application is submitted before the closing date.

Admission of Children below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school in writing, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

Any such request should be made in writing to the headteacher of the school. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Summer Born Children

The parents of a summer born child, i.e. a child born between 1 April and 31 August, may request that the child be admitted out of their normal age group, to the reception class in the September following their fifth birthday and that that the child will remain in this cohort as they progress through school.

Parents who want to make this request should make an application for their child's normal age group at the usual time. Parents will be informed of the outcome of the request before primary national offer day.

If the request is agreed by the governing body, the application for the normal age group may be withdrawn before a place is offered. If the request is refused, the parent must decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in year application for admission to year one for the September following the child's fifth birthday.

Where a parent's request is agreed, they must make a new application as part of the main admissions round the following year.

One admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. Parents, therefore, should consider whether to request admission out of the normal year group at all their preference schools, rather than just their first preference schools.

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the

list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term. Inclusion on the school's waiting list does not mean that a place will eventually become available.

Infant Class Size Regulations

Infant classes may not, by law, contain more than 30 pupils with a single qualified teacher (subject to the provisions in the School Admissions Code for 'excepted children'). Parents do have a right of appeal in accordance with the infant class size regulations if the school is oversubscribed and their child is refused a place.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, a request can be made that the child is added to the waiting list (see above).

The parent has the right of appeal to an independent appeal panel if refused a place.

Right of Appeal

Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. 5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Children of other Christian denominations whose membership is evidenced by a minister or faith leader. (see note 6)
7. Children of other faiths whose membership is evidenced by a minister or faith leader. (see note 7)
8. Any other children.

Tie Breaker

Where there are places available for some, but not all applicants within a particular criterion priority will be given to children living closest to the school measured as the crow flies, in a straight line from the centre of the home residence to the main entrance of the school, (using the Local Authority's computerised measuring system).

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

St Philip Neri RC Primary School

Admission Policy 2019/2020

St Philip Neri RC Primary School, Dunston was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The admission policy criteria will be dealt with on an equal preference basis.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the coordination of admission arrangements during the normal admission round for reception year admission in September.

Parishes served by the school

The school serves the parishes of St Philip Neri, Dunston Immaculate Heart, Lobley Hill (which are now part of the parish of Our Lady and St Philip Neri).

Published Admission Number

The governing body has set its published admission number (PAN) at 30 pupils to be admitted to [the reception year] in the school year which begins in September 2019.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round (not in-year applications), a Common Application Form (CAF) must be completed. This is available from the local authority in which the child lives.

The parent will be advised of the outcome of the application on 16 April or the next working day, by the local authority. If the application is unsuccessful (unless the child gained a place at a school the parent ranked higher) the parent will be informed of the decision, related to the oversubscription criteria listed above, and has the right of appeal to an independent appeal panel.

If the parent is required to provide supplemental evidence to support the application (e.g. a baptismal certificate), this evidence should be provided at the time of application. If not provided, evidence may be sought by the governing body following the closing date for applications. This information must have been correct at the date of closing for applications.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15 January 2019.

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs (see note 1)

The admission of pupils with an Education, Health and Care Plan or a Statement of Educational Needs is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan or a Statement of Special Educational Needs that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Late Applications

Late applications will be administered in accordance with the home local authority Primary Coordinated Admissions Scheme. Parents are advised to ensure that the application is submitted before the closing date.

Admission of Children below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school in writing, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

Any such request should be made in writing to the headteacher of the school. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Summer Born Children

The parents of a summer born child, i.e. a child born between 1 April and 31 August, may request that the child be admitted out of their normal age group, to the reception class in the September following their fifth birthday and that that the child will remain in this cohort as they progress through school.

Parents who want to make this request should make an application for their child's normal age group at the usual time. The application to the local authority should include this request and in addition it should be made in writing to the headteacher of the school. The local authority will liaise with the governing body that will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher, who has statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Parents will be informed of the outcome of the request before primary national offer day.

If the request is agreed by the governing body, the application for the normal age group may be withdrawn before a place is offered. If the request is refused, the parent must decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in year application for admission to year one for the September following the child's fifth birthday.

Where a parent's request is agreed, they must make a new application as part of the main admissions round the following year.

One admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. Parents, therefore, should consider whether to request admission out of the normal year group at all their preference schools, rather than just their first preference schools.

Waiting Lists

In addition to their right of appeal, applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out below and not in the order in which applications are received or added to the

list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term. Inclusion on the school's waiting list does not mean that a place will eventually become available.

Infant Class Size Regulations

Infant classes may not, by law, contain more than 30 pupils with a single qualified teacher (subject to the provisions in the School Admissions Code for 'excepted children'). Parents do have a right of appeal in accordance with the infant class size regulations if the school is oversubscribed and their child is refused a place.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. For information on making an in-year application, parents should contact the local authority, Education Support Service, Dryden Centre, Evistones Road, Low Fell, NE9 5UR on 0191 433 8589. Parents will be advised of the outcome of their application in writing.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, a request can be made that the child is added to the waiting list (see above).

The parent has the right of appeal to an independent appeal panel if refused a place.

Right of Appeal

Where a parent has been notified that a place is not available for a child, every effort will be made by the local authority to help the parent to find a place in a suitable alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available by writing to the chair of governors at the school address.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the diocese and the governing body for the current school year. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

False evidence

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school, the place itself, where it is satisfied that the offer or place was obtained by deception.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

First priority in each category will be given to children who will have an older sibling attending the school in September 2019.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parishes of St Philip Neri and Immaculate Heart (which are now part of the parish of Our Lady and St Philip Neri). (see note 3)
3. Other Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Children of other Christian denominations whose membership is evidenced by a minister or faith leader. (see note 6)
7. Children of other faiths whose membership is evidenced by a minister or faith leader. (see note 7)
8. Any other children.

Tie Breaker

Where there are places available for some, but not all applicants within a particular criterion priority will be given to children living closest to the school determined by the shortest distance. Distance will be measured as the crow flies in a straight line from the centre of the home residence to the main entrance of the school, (using the Local Authority's computerised measuring system).

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out in a public place and supervised by a person independent of the school.

1. A Statement of Special Educational Needs is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision for a child. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
 2. A looked after child has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A previously looked after child is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order.
 3. Catholic means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their parish priest who, after consulting with the diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.
 4. Catechumen means a member of the catechumenate of a Catholic Church. For the purposes of admissions this refers to the child on whose behalf the application is being made. This will normally be evidenced by a certificate of reception into the order of catechumens.
 5. Eastern Christian Church includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church. Those who have difficulty obtaining written evidence of baptism or reception should contact the Diocese who will decide how the question of baptism or reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church.
 6. Children of other Christian denominations means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local

Churches Together Group (by whatever title) on the above basis.

Applicants must provide a baptismal certificate or where child baptism is not practised, a letter confirming their church membership from their minister or faith leader.

7. Children of other faiths means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

Applicants must provide a letter of support to confirm their faith membership from their minister or faith leader.

8. Home address is the primary parental address which will be used in applying the admission criteria. This means that, when stating the choice of school, the parental address at the time of application should be given. The address of childminders or other family members who may share in the care of the child must not be used as the home address. Documentary evidence may be requested.

9. Sibling includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
- (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.

10. A parent means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child (having care of a child means that the child lives with and is looked after by that person).

This policy should be read in conjunction with the local authority's admission guidance for parents.

Frequently Asked Questions

I do not live in Gateshead, how do I apply to Gateshead schools?

You must apply direct to your home LA. Your home LA will forward a copy of your application form to Gateshead. If you are not offered a Gateshead School your home LA will ensure your child is offered a school place in your area.

How can I assess the likelihood of there being a place for my child at the school I want?

You will be able to identify from the information in the schools admission policy, how high up the admission criteria your child will be. You can then look at the statistical information for the school in section 3 of this booklet. This information will give you an idea of the number of applications, offers and appeals received for the last two academic years. However, please be aware these figures can change significantly from year to year.

Why should I apply to more than one school?

If you only list one school on your application form you cannot be certain that your child will be offered a place there. If you do not let us know about other schools on your application form that you might have considered as a second or third preference then you may run the risk of leaving it too late to obtain a place at these schools if your application for a first preference school is unsuccessful. We strongly recommend you use all three preferences, doing so does not reduce your chance of gaining a place at your first preference school. Please remember we cannot guarantee that your child will be offered a place at one of your chosen schools, even if you live in the catchment area or already have another child attending the school, as this will depend on the number of applications the school receives.

I share custody of my child with my ex-partner, what address should I use on the application form?

You must contact The School Admissions Team on 0191 433 2756 or 433 2757 before completing your application form and you will be given individual advice on this issue. It is expected that where there is shared parental responsibility for a child, that parents will agree which parent has the main responsibility before completing their application form. Documentary evidence will be requested. If you are unable to provide evidence of shared responsibility the Local Authority will use the address of the parent/carer who receives the child benefit.

My child has Special Educational Needs. Should I still complete an application form?

If your child is being assessed for an Education, Health and Care Plan (EHCP), you should still complete an application form. However, if your child already has an EHCP, do not complete an application form as the EHCP will name the school that your child will attend.

What happens if I miss the closing date of 15 January 2019?

Your application will be classed as late and you will reduce your chances of gaining a place at your chosen schools. You must give a reason as to why your application was submitted late. For applications received after 15 January 2019 but on or before 4 February 2019, we may be able to consider your application for exceptional reasons. For example, you may have just moved into the area. In such circumstances proof of ownership or tenancy of your address will be required.

Each late application will be decided on its own merits. You need to be aware that if we agree to consider a late application as on-time for exceptional reasons this does not in itself mean that we can offer your child a place. It simply means that your application will be considered in accordance with the admission criteria along with all other applications that were received on time.

Late applications received after 4 February 2019 will not be processed until after 16 April 2019 however an offer will be made for your catchment school or next nearest school with places available measured as the crow flies from the main entrance of the school to your home address.

If you submit a late application, you must explain the reasons on your form as to why it is late.

What happens if I change my preferences after the closing date of 15 January 2019?

Change of preferences will only be considered if you can demonstrate that there are exceptional circumstances relating to the reasons for the change. You need to think carefully about the initial preferences you rank on your application form as the majority of change of preference requests for oversubscribed schools are not considered to be exceptional.

If we cannot consider your change of preference we will proceed with the preferences you gave on your original

application form for determining the offer of places on 16 April 2019. Any change of preference request received after 4 February 2019 will not be processed until after 16 April 2019.

What happens if I move house after the closing date of 15 January 2019?

Please refer to page 74 of this booklet for information on how your application will be considered if you move house after the closing date.

What happens if I do not complete an application form?

If you are a Gateshead resident a place will still be offered to your child on 16 April 2019 at your catchment school or next nearest school with places available.

What happens if my child is not offered a place at any of my preferred schools?

Your child will be offered a place at your catchment school or next nearest school depending upon the availability of places.

If you are refused a place you have the right to appeal to an independent appeal panel and request that your child's name is placed on the schools waiting list. Waiting lists are maintained according to the schools admission criteria with no regard to the ranking the school was given on the application form. A child's position on a waiting list may change due to additions or deletions of children on the list.

In general fewer than half of appeals are decided in the parents favour for years 3,4,5 and 6. In respect of infant class sizes, reception and years 1 and 2 very few appeals are successful due to the legislation relating to statutory class size limitations in key stage 1. Further information regarding statutory class size legislation is available on pages 76-77 of this booklet.

Section 1

Co-ordinated Admissions – September 2019

School admissions in Gateshead are co-ordinated with neighbouring Local Authorities. Gateshead LA will check the applications they receive against those submitted to their neighbouring authorities, ensuring only one application form for each child is processed.

All schools you want to apply to must be ranked on your application form. If you include a voluntary aided school on your application, Gateshead will forward a copy of your application to the relevant school so they can consider your request in line with their school admission policy. The school will then provide Gateshead LA with a ranked list of applicants.

Gateshead LA will ensure each child resident in Gateshead receives one offer of a school place. They will do this by applying the ranking information in the following way:

- If a child is eligible for a place at only one of the schools/academies ranked on the application, a place at that school/academy will be offered to the child.
- If a child is eligible for a place at more than one school/academy ranked on the application, the child will be offered a place at the school/academy which was ranked the highest.
- If a child is not eligible for a place at any school/academy ranked on the application, Gateshead LA will offer an alternative place, for example your community catchment school/academy or next nearest school/academy depending upon the availability of places.

You must make sure you read and understand the impact of each admission policy for all schools you apply to before you submit your application.

Preferences for schools outside Gateshead

If you rank a school outside of Gateshead on your application form, Gateshead LA will liaise with the relevant LA regarding the request.

Admission Policies

Gateshead LA determines the admission policy and admission arrangements for community schools in Gateshead. Gateshead's community school admission policy is set out on page 10 of this booklet. The governing body of voluntary aided schools in Gateshead determine the admission policy and admission arrangements to their school. The admission policies for all voluntary aided schools in Gateshead are set out from page 12 of this booklet.

How to Apply

If you live in Gateshead

You can apply online from Monday 10 September 2018 at: www.gateshead.gov.uk/schooladmissions

If you are unable to apply online you can request a paper application form from The School Admissions Team.

Applications must be submitted by 15 January 2019. If you do not submit your form by this date you will reduce your chances of gaining a place at one of your chosen schools.

If you live outside Gateshead

You must apply direct to your home local authority and they will forward a copy of your application to Gateshead LA. Your home LA will notify you of the outcome of your request.

If you apply to a Gateshead school it is important that you read the information contained in this booklet including the school's admission policy in order to fully understand the admission criteria for the school you apply to.

Equal Preference

All Local Authorities use an equal preference system, which means all first, second and third preferences for a particular school/academy will be looked at together and the oversubscription criteria for each school/academy will be applied to all applications received. Please refer to page 9 of this booklet for further information on the equal preference system.

Late applications

The closing date for submitting your application is 15 January 2019. If you return your form after this date you will severely reduce your chances of gaining a place at your chosen schools. In exceptional circumstances (for example if you have just moved into the area) Gateshead LA may be able to consider late applications if they are received by 4 February 2019. In such circumstances proof of ownership or tenancy will be required.

Each late application will be determined on its own merits. If Gateshead LA agree to consider a late application for exceptional reasons your application will be considered along with all other applications that were received on time.

Change of preferences received after 15 January 2019 must be submitted in writing and will only be considered if exceptional circumstances apply.

Late applications and late change of preferences received after 4 February 2019 will not be processed until after 16 April 2019, however in the case of late applications, an offer will be made for your catchment school/ academy or nearest community school/academy depending upon the availability of places. In the case of late change of preferences Gateshead LA will continue to process the original on time application received.

The majority of late applications are refused a place and places are not kept back for any late applicants.

Offer of a School Place

The national offer date is 16 April 2019. A letter will be posted to all Gateshead residents informing them of the school they have been offered on or around this date. If you applied online you will also receive an email on 16 April 2019 confirming which school your child has been offered.

Acceptance of a school place

An acceptance form will be enclosed with your offer letter. You must complete and return the acceptance form by 30 April 2019 to let Gateshead LA know if you wish to accept the place offered.

Refusal of a school place waiting lists and appeals process

Gateshead LA will maintain waiting lists for all oversubscribed schools from 10 May 2019. If you are refused a place at a Gateshead school you can request that your child's name is placed on the school's waiting list. To do this you must complete and return the waiting list request form, which you will receive with your refusal letter on or around 16 April 2019.

The offer of places from the waiting list will start on 10 May 2019 and places will be offered on a weekly basis thereafter, if vacancies arise. Waiting lists are maintained according to the admission criteria set out in the schools admission policy without reference to the preference ranking given on the application form or the length of time a child has been on the list

A child's position on a waiting list may change due to additions or deletions of children on the list.

If you are refused a school place, you also have the right to appeal to an independent panel. You will receive an appeal form with your refusal letter on or around 16 April 2019. If you wish to appeal you must complete and return the appeal form by the date indicated in your refusal letter. Appeals are generally heard in June/July 2019.

Please note that in general fewer than half of appeals are decided in the parents' favour for years 3, 4, 5 and 6. In respect of infant classes, reception, year 1 and year 2, very few appeals are successful due to the legislation relating to statutory class size limitations in these early years classes.

Address and fraudulent address claims

When deciding whether a child lives within a catchment area for a Gateshead school only the address of the parent/legal guardian with whom the child resides will be taken into account.

Addresses of childminders, relatives or friends who may help look after your child must not be used on the application form. Gateshead LA reserve the right to seek proof of address and to withdraw an offer of a place in the event of an inaccurate address being provided on the application form. Unfortunately places are withdrawn every year because some parents use a false address on their application form. This includes cases where parents take out a short term lease, temporarily move in with relatives or buy a property solely to use its address on the application form without any intention of taking up permanent residence there.

Gateshead LA do all they can to make sure this does not happen and in fairness to all parents will investigate all allegations of fraudulent practice brought to their attention and this may lead to a place being withdrawn. Children must be resident in the country before we consider an application form for a school place, however there are exceptions for children of UK service personnel and other Crown Servants, if the request for admission is accompanied by an official government letter declaring a relocation date and intended address.

Temporary address

We cannot accept your residence at a temporary address, unless exceptional circumstances apply, for example you are moving into the area or have been housed in emergency accommodation by the council. If you are currently living at a temporary address you must contact The School Admissions Team for advice prior to completing your application form.

Shared responsibility for a child

Parents of children who reside at two different addresses due to parental responsibility, are advised to seek advice about the completion of their application form before its submission from the School Admissions Team on: 0191 433 2756 or 433 2757.

It is expected that where there is shared parental responsibility for a child, that parents will agree who is the parent with the main responsibility before completing the application form. Documentary evidence will be requested. If you are unable to provide evidence of shared responsibility, the Local Authority will use the address of the parent/carer who receives the child benefit.

Change of address

Change of address after the closing date (moving into a particular school's catchment area for the school you applied to) It is your responsibility to notify us immediately of any change of address after submitting your application form. We cannot reserve places for families expecting to move into a particular school's catchment area.

If you have not exchanged contracts or have not signed a tenancy agreement to support your new address we will be unable to use this address for the purpose of offering places on 16 April 2019. If you can provide us with the above evidence by 4 February 2019, we will be able use your new address for the purpose of offering places on 16 April 2019.

However, please note that if you move into a particular schools catchment area after the submission of your application form and do not provide us with proof of your new address by 4 February 2019, your new address will not be taken into consideration when offering places.

Change of address after the closing date (moving out of a particular schools catchment area or further away from the school you applied to) It is your responsibility to notify us immediately of any change of address or change in circumstance after submitting your application form that may affect how your application is considered. For example, If you move out of the catchment area for the school you applied to after the submission of your application form, this may affect the category in which your child was considered.

If it is determined that your child would not have been eligible for a place at the school offered based on your new address, your child's school place could be withdrawn. If necessary, we will withdraw places for change of addresses that take place up to and including 16 April 2019 However we will still continue to investigate any change of addresses following this date up until 31 August 2019 and will withdraw places if a school place has been obtained at any stage using a temporary address, relatives address or if we feel a property has been purchased or leased solely to use its address to obtain a place at a particular school, without any intention of ever taking up permanent residence there.

You can find out what school catchment area you live in by contacting the School Admissions Team on telephone 0191 433 2757. Alternatively School catchment maps are available to view on the Council's website at: www.gateshead.gov.uk

Gateshead Council will investigate all allegations of fraudulent practice brought to their attention and this may lead to a place being withdrawn. You must notify us immediately if you change your address after the submission of your application form up to and including 31 August 2019.

Additional Information – Voluntary Aided Schools

Governing bodies of Roman Catholic and Church of England voluntary aided schools determine the eligibility of applicants to their schools using their own admission policy. If you include a voluntary aided school on your application, Gateshead will forward a copy of your application to the relevant school so they can consider your request in line with their school admission policy. The school will then provide Gateshead LA with a ranked list of applicants.

It is important that you read the admission policy for any school/academy you apply to as voluntary aided policies differ from one another, and are different from the community school admission policy.

If you apply online for a Voluntary Aided school you will be prompted to complete the 'Faith Details' section of the online form. Please ensure you complete all details requested including the religion of your child. If you complete a paper application form you must complete Section F of the form in full.

Verifying Application Forms

In February 2019, Voluntary Aided schools will receive details of all applications for their school from Gateshead LA, and they may write to you to request further documentation in order for the Governing Body to consider your application.

You must provide all the evidence requested by the school, by the date they indicate. Failure to do so may result in your application being placed in a much lower category for admission than it may actually be and this may reduce your chances of receiving an offer of a place at this school.

If you have ranked more than one voluntary aided school on your application form you may receive more than one request for information. It is important that you respond to each school individually to ensure they each have the information requested.

Additional Admissions Information – September 2019

Admission of children below compulsory school age

A child reaches compulsory school age on the prescribed day following their fifth birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 December, 31 March and 31 August.

Children are entitled to start school full time the September after their fourth birthday. However, you may request that your child attends school part-time until later in the school year, but not beyond the point that your child reaches compulsory school age (five years old).

In addition you may request that your child is admitted to school later in the school year following September 2019, but not beyond the point at which they reach compulsory school age and not beyond the start of the final term of that school year.

If you wish to make a request for your child to attend school part time or start school later in the school year, you must contact the local authority and school following receipt of your offer letter on 16 April 2019.

Admission of children outside their normal age group including summer born children

Parents may request a place for their child outside their normal age group, for example if the child is gifted and talented or has experienced problems such as ill health.

In addition parents of children born in the summer term, 1 April 2015 to 31 August 2015 may request that they are admitted outside of their normal age group and start reception class a year later (in September 2020).

While the majority of parents are happy for their child to start school in the September following their fourth birthday, some parents will have concerns about whether their child will be ready for school at this point.

Before deciding to delay a child's entry to school, the LA would recommend that parents visit the schools they are thinking of applying for. The teachers will be able to explain the provision on offer to children in the reception class, how it is tailored to meet the needs of the youngest pupils and how the needs of these pupils will continue to be met as they move up through the school. They may also be able to allay any concerns parents may have about their child's readiness for school.

Parents wishing to request deferred entry must apply using the application form for the child's normal year of entry, which is available from 10 September 2018 and return it to the local authority by no later than 15 January

2019. You must include with your application the reasons for your request and include any supporting information from relevant professions.

All requests for admission of children outside their normal age group must be discussed with the LA and relevant school head teacher prior to the application being made.

You will be notified of the outcome of your request before 16 April 2019. In reaching a decision, the local authority will consider the parents views, information about the child's academic, social and emotional development, where relevant medical history and views of medical professionals and they will also consider whether the child may naturally have fallen into a lower age group if they were not born prematurely. We will also take into account the views of the head teacher of the school for which the request is being made.

Any parent who successfully requests that their summer born child starts reception class a year later than their normal age group must reapply for admission in September 2019 and their application will be considered against the relevant schools admission policy along with all other applications received on time for this year group.

Any parent that is refused a place has the right of appeal, however the right of appeal does not apply if a place at the school is offered but it is not the preferred age group.

Please note that Governing Bodies of Voluntary Aided schools consider requests for deferred entry to their school. Please refer to the relevant school admissions policy for further information.

You must request deferred entry by the application closing date of 15 January 2019. However, requests received after this date will still be considered by the local authority if they are received by 16 April 2019. Any deferred entry request for a summer born child, received after 16 April 2019, (once a child has already been allocated a school place) will not be considered and you will be unable to defer your child's entry to school after this date.

Special circumstances – social/medical reasons

Gateshead LA can consider exceptional applications particularly in cases involving social or medical needs.

If you wish to apply on social or medical grounds your application must be supported in writing by relevant registered health professionals i.e. a doctor or social worker. Please send your application and supporting information to The School Admissions Team, Dryden Centre, Evistones Road, Gateshead NE9 5UR by 15 January 2019.

The evidence must demonstrate why the child's needs require placement at the particular school chosen and what difficulties would be caused if the child had to travel to and attend an alternative school. We will not consider such applications if the relevant professional evidence is not provided.

Usually common childhood ailments such as asthma, giving a child's nervousness at starting school or difficulties with childminding arrangements would not be sufficient to offer a place. Appropriate examples may involve applications for children for whom there are exceptional medical factors directly related to the school placement. However, no assumption should be made that the submission of the relevant evidence will, in itself guarantee the offer of a place at your chosen school.

Looked after children and previously looked after children

Looked after children are children who are in the care of a local authority, as defined under section 22 of the Children Act 1989. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Looked after children and previously looked after children have top priority in our community school admission policy for September 2019.

Special educational needs

If your child is being assessed for an Education, Health and Care Plan (EHCP), you should still complete an application form. However, if your child already has an EHCP, there is no need to complete an application form as the EHCP will name the school that your child will attend and your child will automatically be offered a place at that school.

If your child has special educational needs but not an EHCP, your application for a school place will be considered on the basis of the school's published admission criteria. All schools in Gateshead can provide for pupils with special educational needs.

Reserving places

We cannot reserve places in our primary, infant or junior schools in the expectation of further applications from families moving into the area.

Exceptions to the duty to offer a community primary school place

If there are more places available at a school than there are applicants, the admissions authority must accept all the applications except in the circumstances described below.

Twice excluded pupils

Unless a child has been permanently excluded on two or more occasions, applications for places must be considered on the same basis as all other applications and in line with the school admissions code. In the case

of twice excluded children, the admission authority (the council in the case of community and voluntary controlled schools and the governing body in the case of voluntary aided and foundation schools) is not under a duty to comply with the preference of parents. However this does not affect a child's right to education.

Class size restrictions in Key Stage 1 (infant years)

Key stage 1 refers to reception, year 1 and year 2 in infant and primary schools. All schools must follow class size legislation in Key Stage 1 (ages 4 to 7). Schools are not allowed to have more than 30 children to one qualified teacher in any Key Stage 1 class, including reception.

You should be aware that once the limit of 30 children to one teacher is reached and your child is refused admission then there are only very restricted reasons for appeal. You do have the right of appeal but an appeal panel can only uphold your appeal if they are satisfied that either:

- The decision to refuse admission was not one which a reasonable admission authority would make in the circumstances of the case;
- The child would have been offered a place if the admission arrangements had been properly implemented;
- The child would have been offered a place if the arrangements had not been contrary to mandatory provisions in the School Admissions Code and the SSFA 1998. The appeal panel members must consider whether or not the council has satisfied them that their decision to refuse admission was reasonable in accordance with admission legislation and that the admission procedures were properly implemented. If this is shown to be the case, the panel are obliged to dismiss the appeal.

Your child may be refused a place at a school on the grounds that the admission would cause class size prejudice. Class size prejudice means that a school would not be able to keep the 30 pupils to one teacher class size limit unless extra measures were taken, such as the need to provide an extra teacher or classroom or even a reorganisation of classes.

Factors relevant to the admission authority's decision could be:

- Where the introduction of an extra pupil would lead to the introduction of mixed aged teaching in a school previously operating in single year groups
- Whether the admission of the child would lead to a breach of the limit further up the system – some schools decide to have a small reception class with larger year 1 and year 2 classes (e.g. admission number of 45 with two reception classes of 22 and 23 and three mixed year 1 and year 2 classes of 30). Admitting extra pupils to the reception class would not breach the limit in that year but could do so in future years.

Exception to Key Stage 1 class size legislation

Exception to class size legislation is only possible in very limited circumstances. Additional children may be admitted under limited circumstances. The excepted children are:

- a) children admitted outside the normal admissions round with statements of special educational needs specifying a school;
- b) looked after children and previously looked after children admitted outside the normal admissions round;
- c) children admitted, after initial allocation of places, because of a procedural error made by the admission authority or local authority in the original application
- d) process;
- e) children admitted after an independent appeals panel upholds an appeal;
- f) children who move into the area outside the normal admissions round for whom there is no other available school within reasonable distance;
- g) children of UK service personnel admitted outside the normal admissions round;
- h) children whose twin or sibling from a multiple birth is admitted otherwise than as an excepted pupil; and
- i) children with special educational needs who are normally taught in a special educational needs unit attached to the school, or registered at a special school, who attend some infant classes within the mainstream school.

Section 4

Appealing Against the Refusal of a Place

Appealing against admission decisions

If your child has been refused a place at any school for which you have expressed a preference, you have the right to appeal against this decision. Information about the appeals procedure for voluntary aided schools is available directly from the school in question. In accordance with Department for Education guidance, the appeal procedure does not apply to nursery admissions.

Appeals for community schools

The letter informing you that a place cannot be offered to your child will advise you how to appeal, if you wish to do so. If you decide to appeal, you should contact the School Admissions Team following receipt of your refusal letter to request an appeal form. Once completed, you should send your appeal form to Development Law and Democratic Services, Corporate Services and Governance, Gateshead Council, Civic Centre, Regent Street, Gateshead NE8 1HH.

Please note that the council is required where possible to arrange and conduct all admission appeal hearings for September 2019 before the end of the current academic year (i.e. by July 2019). Accordingly, the council requests that all parents wishing to make an appeal return their completed forms on or before 17 May 2019. If parents submit appeal forms after this date it may result in appeal hearing dates having to be rearranged at short notice with inconvenience to other parents and panel members.

Before deciding whether to appeal, you should think about the admission policy for admitting pupils, your reasons for wanting your child to attend the school and how strong a case you have. You may also want to consider visiting the school where you have been offered a place or alternative schools that still have places available. Please contact the School Admissions Team on: 0191 433 2757 if you would like information on the availability of places at other schools you may consider.

If you decide to appeal, your appeal will be heard by a panel that is independent of the school and Gateshead Council.

You may want to attend an appeal for more than one school at which you have been refused a place. The outcome of one appeal does not prevent you from attending another.

You will be informed of the date and place of the appeal hearing. You should be given at least 7 days notice. Seven days before the hearing, you will be sent copies of the statement of case that will be put before the appeal panel in support of the council's decision not to offer your child a place.

You are advised to attend the appeal hearing, where you will be given the opportunity to put your case forward and ask questions. You can take a friend if you wish. If you are unable to attend, the case made by you in writing will be considered in your absence. In making your case, you will probably want to refer back to your original reasons for choosing the school. If you want the panel to take any additional information into account, you should, if possible, submit any supporting documents with your appeal form or provide these to the clerk in good time for the members of the panel and council to be able to consider them properly. There will be a representative from the council and the school at the hearing to explain to the panel why it was not possible to offer your child a place.

At the end of the hearing, the clerk should be able to give you an idea of how soon you can expect to receive the panel's written decision. **The panel's decision is final.**

You can only appeal once for admission of your child to a particular school for any given academic year. The council will only determine a second application for any given academic year where it accepts there has been a significant and material change in your circumstances relevant to the question of admission.

Section 5

In-Year Transfers

Applying for a school transfer

Parents with children of statutory school age who move into Gateshead and require a school place, or who are resident in Gateshead and wish to change their child's school, must complete a school transfer application form which is available on the Council's website. Alternatively, paper copies are available from the School Admissions Team on telephone number 0191 433 8589.

If you are moving to a new house, the council will require a copy of the exchange of contracts or a rental agreement before the new address will be considered. School places cannot be offered on the basis on intended future changes of address unless the relevant documentary evidence is provided.

Year groups in some schools may be full and may not have places available when you move house or decide to transfer your child from one school to another. Unfortunately, we cannot hold places back for parents who decide in the future to move into a particular area.

The admission policies contained within this booklet are used for casual admissions (in-year transfers) and also for the normal first year of entry intake. The offer of a place at any school is dependent on the availability of places in the relevant year group at the time of application.

Application form and process

If you require a place in a Gateshead school you must complete a school transfer application form.

- The application form allows you to express a preference for up to three schools in Gateshead.
- All persons with parental responsibility for the child must agree to the request before the form is completed.
- Section A and C of the form must be fully complete before the form can be processed.
- If you are new to the UK from overseas, you must also complete Section B of the form and attach relevant documentary evidence, i.e. child's passport or ID card.
- Once you have completed Section A (and Section B if you are new to the UK), you must send the full form to your child's current school where possible for them to complete Section C. They will then forward the completed form to the School Admissions Team to be processed.
- Once the School Admissions Team receive your completed form, a copy will be forwarded to the relevant schools, who have 10 school days to respond to the request, advising if a place is available.

- If any of your preferences is for a faith school, they may contact you for further information to verify your child's religion.
- You can complete a school transfer form up to a maximum of six weeks prior to the school place being required.

However, if your request is for your child to transfer school at the start of a new academic year, i.e. September, you can complete a form for a school transfer up to six weeks before the start of the summer holidays, i.e. June of that year.

- We cannot guarantee that your child will be offered a place at one of your chosen schools as this will depend on the availability of places at the schools you request.
- Gateshead Council will notify you of the outcome of your request.

If you are refused a place

If we cannot offer your child a place at one of your chosen schools, we will let you know which other schools have places available and will notify you in writing of your right to appeal. Appeal forms are available from the School Admissions Team.

Completed appeal forms must be returned to Legal and Democratic Services, Civic Centre, Regent Street, Gateshead, NE8 1HH. Your appeal will be heard within 30 school days following the date of receipt. Vacant places may arise before the date of the appeal hearing. Where this happens, the school will offer the vacant place to the child that is top of their waiting list using the admission criteria set out within their admission policy.

Appeal forms for Voluntary Aided Schools are available directly from the school.

Where year groups are full the school will maintain a waiting list and any vacancies which may arise will be offered using this list. If you would like your child's name placed on the waiting list for a school, you must contact the school to request this. If a place becomes available which can be offered to your child, you must then complete a school transfer form if you choose to take up this offer.

Children with an Education, health and Care Plan (EHCP)

School transfer requests for children with an EHCP will be referred to the Special Educational Needs Team who will work with parents to secure a place at a school where the specific needs of the child can be met.

Fair Access Protocol

Fair Access Protocols exist to ensure that access to education is secured for vulnerable children and young people who are without a school place and where a placement in a mainstream school or alternative provision is appropriate. The fair access process also ensures that all schools admit their fair share of vulnerable children and young people. Our approach reflects a commitment by all our schools/academies to work in partnership with each other and the local authority in the interests of securing the best outcomes for children and young people.

Should parents agree to a referral to the fair access process, although parents may state a preferred school, the panel may not offer a place at the parent's first choice of school as they have to take into account both the number and complexity of the student's allocated to schools via this process. This does not however remove the right of a parent to request an independent school appeal for a place at their first preference school, however, participation in the fair access process will be taken into consideration by the appeal panel.

Copies of the Fair Access Protocols are available on the Council's website or from the Education Support Team, telephone number 0191 433 8745.

Section 6

Special Educational Needs (SEN)

We recognise that some children need special educational help that cannot be provided in primary and secondary schools. For this reason we currently maintain six special schools and other schools are designated as additionally resourced mainstream schools (ARMS). You can find details of the facilities at these schools from the school's website, by calling the Special Educational Needs and Disabilities Service on telephone number 0191 433 3626 or in Gateshead's Local Offer (www.gateshead.gov.uk/localoffer). All enquiries are dealt with in complete privacy and confidence.

The Children and Families Act came into force in September 2014. Schools must meet a child's special educational needs from their own resources and if they are not able to do that, they can apply to the Local Authority (LA) for an EHCP.

Details of the assessment process and school's information can be found in Gateshead's Local Offer (www.gateshead.gov.uk/localoffer)

A graduated approach

Children can have different kinds or levels of SEN and learn in different ways so a step-by-step or graduated approach is taken by the school to help with your child's difficulties. Your child may need help for a short time or for the whole time they are at school depending on their difficulties.

The school must tell you that they are giving your child extra help because of their difficulties and keep you informed of their progress.

Step 1

Your child will be given extra help by staff at school; for example, they may work in a small group or be given work that is different from the other children in their class.

Step 2

If your child does not make progress with this additional support, the school will seek advice from outside professionals, for example, a specialist teacher or educational psychologist.

Step 3

If your child is still not making enough progress and the school cannot provide the help that they need, the LA may decide to carry out a formal needs assessment.

Initial Assessment

When a request for Needs Assessment has been received a letter will be sent to you and other relevant parties letting them know that an assessment may take place.

A decision about whether to assess your child's needs will be made within 6 weeks.

Assessment

If the assessment is agreed, the SEND team will request information and reports from you, your child's school, any outside professional who has been involved with your child, the health authority and social services.

A request will also be sent to your child's school at this stage to ask them to organise an Action Planning Meeting to take place later in the process.

The information collected will then be considered by the SEND panel to decide whether it will go ahead and issue an EHCP. If the EHCP is agreed it will include a summary of your child's special educational needs and the support we think is required to meet these needs.

You will receive a copy of this draft EHCP, as will those people who provided reports. If you have any immediate concerns about the content of this draft you can contact the SEN team to discuss further. If the EHCP is refused, you can appeal to an independent SEN and Disability Tribunal (SENDIST).

Planning

If the EHCP goes ahead you will be given the opportunity to discuss the outline EHCP at your child's Action Planning Meeting, as well as contribute to the writing of your child's outcomes. At this stage you will also be able to discuss which school you would like your child to attend. This could be your child's current school, an additionally resourced mainstream school or in exceptional circumstances, a special school.

The notes from the Action Planning Meeting will be sent to the SEN team who will update the EHCP and consult (ask for a placement) with the appropriate educational setting. You will be contacted with the results of the discussions and given the opportunity to meet with an SEN Officer if you disagree with the EHCP before it is finalised.

We try to work with parents to come to an agreement about the EHCP but there are times when parents do not agree with our decision not to assess the child or with the contents of an EHCP. If this happens, you have the right to appeal to the Special Educational Needs and Disability Tribunal.

Finding a school for your child

Sometimes we cannot offer your child a place at a suitable school in Gateshead. When this happens, we do all we can to find a suitable place in a school maintained by another authority or an independent organisation. We will make arrangements for you and your child to visit the school before you make a final decision.

Special Educational Needs Disability Information and Advice Support Service (SENDIASS)

SENDIASS is run by Barnardo's on behalf of Gateshead Council. It offers free independent support and information for parents/carers of children with special educational needs. You can contact SENDIASS on: 0191 478 4667.

Absence from school for medical reasons

If your child is ill or has had an accident, they may be at home or in hospital for some time. There is a teaching unit at the RVI Hospital, which aims to provide some continuity of education during a hospital stay. If your child is at home, home tuition may be suitable.

Section 7

Policy for home to school travel

Introduction

This policy sets out the local authority's approach to ensuring compliance with its home to school statutory duty under the Education Act 1996 to make travel arrangements for eligible children under section 508B.

It also sets out the discretionary travel arrangements provided under section 508C of the Act by the local authority (LA) to other children who are not eligible to free travel under section 508B.

It has been developed with due regard to the Department for Education statutory guidance 'Home to school travel and transport guidance' (July 2014).

This policy applies to:

- children of compulsory school age (aged 5-16 years)
- children normally resident in Gateshead
- Other children where travel support is provided under discretionary arrangements outlined in Section 9.

1. Parent/carer responsibilities

It is the duty of parents/carers to ensure that their child attends school regularly, to be responsible for their safety on the journey between home and school and to meet any travel costs. It is the responsibility of every parent/carer to help their child to develop the skills and confidence for independent and safe travel to and from school. Most school-age pupils do not require any help from the Local Authority.

2. Eligibility under section 508B Schedule 35B

2.1 The LA provides help with home to school travel for compulsory school-age children who are unable to walk to school:

- because of their mobility problems or because of associated health and safety issues related to their special educational needs (SEN) or disability; or
- because the nature of the route is deemed unsafe to walk; or
- because they live outside statutory walking distance.

2.2 Parents have a right to express preference for the school they wish their child to attend and the relevant admission authority is required to offer a place in accordance with that preference if a place is available. Local authorities are not required to provide free travel if the parent makes a choice to send their child

to a school that is not their catchment area school. However, free travel may be available to children where the distance from home to their catchment area school by the shortest available walking route exceeds:

- two miles for primary-school aged children
- three miles for pupils in the year 7-11 normal age group at a secondary school

We will not normally provide any help if parents send their child to a school outside of the catchment area or a school which is not their nearest suitable school. Pupils are not entitled to free home to school travel on the grounds of religion or belief, unless they meet the criteria in the second point below.

We may provide free travel for pupils in secondary schools in receipt of free schools meals or whose household qualifies for the maximum working tax credit **and** where:

- They live more than 2 miles but not more than 6 miles from one of their three nearest qualifying schools; or
- Where they live more than two miles, but not more than fifteen miles from their nearest suitable school preferred on grounds of religion or belief.

Qualification for free travel in future subsequent years is dependent on continued eligibility for free school meals or maximum working tax credit.

The provision described in section 2.2 is usually provided in the form of a free travel permit for use on public transport following an application made directly to Gateshead Council's Benefit Section Tel: 0191 433 4848 for an application form.

2.3 Eligible children only qualify for free travel to their catchment area school, or their nearest suitable school where they have special educational needs, defined as the nearest publicly-maintained school, with places available, that provides education appropriate to the age, ability and aptitude of the child, and any special educational needs that the child may have. For children with special educational needs, if a school is the only school named in a Statement of SEN or Education, Health and Care (EHC) Plan, this means that it is the nearest suitable school for school transport. All children are assessed on an individual basis so that their particular travel needs are identified and appropriate provision offered if they are deemed eligible.

2.4 It is the general expectation of the LA that a child will be accompanied to and from school by a parent/ carer where necessary, unless it is unreasonable to expect the parent to do so. In determining whether a child cannot be expected to walk for the purposes of 'special educational needs, a disability or mobility problems eligibility' or 'unsafe route eligibility' the LA will consider whether the child could reasonably be expected to walk if accompanied and if so, whether the child's parent/carer can be reasonably expected to accompany the child.

2.5 It is the general expectation of the LA that where a child is eligible for Higher Rate Mobility Component of Disability Living Allowance (DLA) and this is used to cover the cost of leasing a Motability vehicle, that the vehicle is used to facilitate the child's travel to and from school.

3. Assessment

3.1 In assessing whether a pupil is eligible for support with home to school travel under section 508B and to determine the type of provision that will be offered, the LA takes into account some or all of the following factors:

- whether a parent/carer can accompany the child to school
- the statutory walking distance from home to school
- the nature of the route and the journey time
- the age of the pupil
- whether the pupil is capable of independent travel
- the pupil's special educational needs (if any)
- the pupil's physical disability or mobility problem (if any)
- the pupil's medical condition

3.2 The assessment will be carried out following the receipt of an application form from the parent/carer, which can be submitted at any time during the school year. The LA will consider such additional information about the child as it considers necessary to make an assessment, including the advice of:

- the pupil's school
- LA educational psychologist or other specialist staff
- any social worker involved with the child or family
- any other agency providing support for the child or family
- the local transport authority
- any other person/agency suggested by the parent/ carer
- Where the LA does not already have such information, it is the responsibility of the parent/

carer to obtain such advice and submit it to the LA with their application.

4. Provision

Independent travel training and use of public transport will always be investigated as the first option for all pupils applying for support with travel to school, whether on a sole basis or accompanied. Other provision may include:

- a Personal Travel Budget (this is calculated on a mileage allowance but can be used to meet the costs of a parent/carer who makes their own transport/personal assistant/escort arrangements)
- a permit to travel on public transport
- transport service provided by a school
- escort provided by the LA to assist a child to walk to school
- transport service contracted by the LA

5. Decisions

5.1 The LA will normally process applications made on the basis of a child having special educational needs within 15 working days of the application being received, subject to the necessary information and advice from other services and agencies being made available. The LA will aim to inform applicants at the earliest opportunity if this target is unachievable.

5.2 If the LA agrees to provide travel support this applies to home to school travel arrangements, and vice versa only and does not relate to travel between educational institutions or other destinations during the school day. Costs of travel over and above the journey to school and the journey to home will be paid for by the parent/carer or the school/educational establishment.

5.3 The LA or travel provider does not provide car seats. Parents/carers are responsible for providing an appropriate car seat for their child and the provider can refuse to transport a child if an appropriate car seat is not provided.

6. Reviewing travel support

6.1 If the LA agrees to provide travel support, the LA may review the provision at any time, but changes to travel provision will normally take effect at the start of a new school year (1 September). There will always be a review of provision via a re-application when a pupil:

- moves from primary to secondary education
- completes secondary education
- changes school/school site
- moves house
- has a change in their physical/medical or other condition

- 6.2 It is the duty of the parent/carer to inform the LA of any change in the child's or the family's circumstances, providing reasonable notice to facilitate a change to travel arrangements within the timescales of the application process. Failure to do so may result in travel support being withdrawn temporarily. Provision may also be removed if the parent or child refuses to co-operate with reasonable requests from the LA or transport provider or refuses an assessment for Independent Travel Training. More information about parent/carer responsibilities can be found in our 'Travel Care Guide for Parents/Carers' leaflet.
- 6.3 Pupils receiving travel support on an interim basis will need to re-apply for travel support when the interim arrangement ends.
- 6.4 Family circumstances and the development and independence of young people changes over time. All pupils in Year 9 and above should therefore re-apply for travel support ahead of them commencing their next academic year in September (by the end of April). For pupils with an Education, Health and Care Plan (EHCP) receiving travel support, plans for travelling independently will be discussed annually during EHCP review meetings, included in the pupil's Year 9 Transition Report and discussed at the review meeting.

7. Appeals

- 7.1 If the LA does not agree to provide help, the parent/carer will be informed by letter and advised that they may appeal against that decision, provided they do so in writing within 15 working days.
- 7.2 Appeals will be considered in the first instance by the Service Director, Early Help or their nominee.
- 7.3 The young person's parent/carer should submit their appeal, their reasons for the appeal and their case in full to the Service Director, Early Help in writing, together with any other evidence or supporting information. There is no entitlement to a hearing in person. The Service Director will normally consider appeals within 10 working days of receipt and will give her/his decision in writing.
- 7.4 If an application/appeal is unsuccessful, a further appeal can be made in writing, together with any other evidence or supporting information within 15 working days of receipt of the stage one appeal decision letter to the Council's independent Appeals Committee. The committee will consider the appeal within 40 working days of receipt and will give their decision in writing.
- 7.5 If the application/appeal is unsuccessful following an appeal to the independent appeal panel, a young person parent/carer may only apply for a further assessment after twelve months has elapsed, or if there is a significant change in circumstances in the meantime.

8. Changes to travel arrangements

- 8.1 The LA is able to make changes to the school travel contracts it commissions with third party providers at any point in time without consulting children, young people, parents or carers. Continuity of driver, escort or vehicle is only granted in exceptional circumstances following a request made in writing and an assessment of need.
- 8.2 Travel support may be provided for a fixed period to facilitate transition plans or independent travel programmes.
- 8.3 Travel support may be ceased if a young person becomes capable of independent traveling or if the young person or their parent/carer refuses an independent travel training assessment to take place, where the LA believes this is appropriate.

9. Discretionary arrangements under section 508C of the Education Act 1996

- 9.1 Discretionary travel support provided under section 508C of the Education Act 1996 is outlined below. The need for travel support provided under these discretionary arrangements will be assessed as described in section 3 above and will also take into account family circumstances and any other factors the LA considers relevant. Discretionary support with travel is provided by the LA over and above their statutory duty, however this does not need to be free of charge and may be subject to a contribution from parents/carers where deemed appropriate.
- Children temporarily attending educational provision other than their usual school. Pupils receiving travel support on a temporary/interim basis will need to re-apply for travel support when the interim arrangement ends.
 - Children temporarily residing at a different address (including respite care), travel support will only be maintained if this can be achieved at no additional cost to the LA, unless it is agreed following an assessment of need, prior to the move/stay taking place.
 - Pre-school children attending a Gateshead special school may be eligible for travel support however a Personal Travel Budget will always be offered in the first instance as opposed to the provision of a taxi where this is cost effective to the LA.

Sustainable Travel To School

Gateshead Council has a Sustainable Modes of Travel Strategy which aims to improve accessibility to schools, promote sustainable travel and increase the numbers of pupils walking, cycling or using public transport on their school journey. The full strategy document and a parents' summary may be accessed on the council's website.

Gateshead Council has its own Active Travel Promotion Programme and participates in the region-wide schools Go Smarter Programme, which promotes and facilitates safer and sustainable travel for the school journey. Further information can be found at www.gosmarter.co.uk

All children in reception, year 1 and year 2 in state funded schools are eligible for free school meals regardless of your income. This scheme is called Universal Infant Free School Meals (UIFSM). You do not have to apply to be eligible for this scheme; however, it is still important to apply for the means tested free school meals if you meet the relevant criteria shown above as this might provide extra funding (£1,320 primary school age, £935 secondary school age) for your child's school.

School Catering

School lunches in Gateshead's Primary Schools are provided by Gateshead School Catering, the Council's award winning in-house service provider. A two-course, nutritionally balanced school lunch in a primary school costs £2.20. The price is reviewed each year in April (prices can vary from school to school).

All children in Reception, Year 1 and Year 2 in state funded schools in England are now eligible for free school meals.

Our fully trained catering staff encourage children to eat healthily in school and make good choices. Our menus are fully compliant with the National School Food Standards.

Many of the foods we use have been reduced in fat, sugar and salt and many of the ingredients we use are sourced locally. All our meat and poultry are Red Tractor which guarantees quality and origin.

Over 75% of our menu is home made and meals are freshly cooked every day on site at school. New menus are introduced in September and we supply copies for pupils to take home. Pupils choose from 3 main choice options which are available every day, as well as a variety of dessert options including fresh fruit and yoghurts and a variety of drinks including milk, water and fruit juice. The menus can also be seen on the council's website along with other information about Gateshead school catering.

Please ask your Head Teacher if your child needs a special diet for medical or ethnic reasons. For medical diets, the catering management team will require a letter from your child's doctor, consultant or dietician to provide for your child's specific needs and will make arrangements to meet with you to discuss the requirements.

If you require further information about school catering or would like to discuss any aspect of the service, please ring Gateshead Council's school catering operation manager on: 0191 433 5516, or contact the unit catering operation manager at the school. Alternatively, please see our website: www.gateshead.gov.uk

For school catering at Parkhead, Riverside Academy and Washingwell please check with the school.

Providing school milk

We provide free school milk for:

- Primary age children who need it for health reasons (decided by a clinical medical officer from the District Health Authority); and
- Children in nursery units (thanks to the EC School Milk Subsidy Scheme and the Department of Health's Welfare Food Scheme)

School clothing

Most schools operate a school uniform code however schools must not act as sole suppliers of school uniform. Details of the uniform are usually contained in the school's prospectus that can be obtained from the school. We do not have any general arrangements for providing help with buying school uniform or PE kit and Gateshead Council does not provide a uniform grant. However, some schools provide their own help and support for parents in particular for those children who are eligible for free school meals or are entitled to the maximum level of working tax credit. Parents wishing to ask about such assistance should contact

the Head Teacher at the school.

School crossing patrols

We are not obliged to provide a school crossing patrol service, but we do so at certain points where we believe it can make an important contribution to the safety of children in Gateshead. However, from time to time, for reasons beyond our control, the usual school crossing patrol may not be available to help your children. As children may have difficulty assessing the dangers when crossing roads on their own, please remember that your child's safety remains your responsibility at all times.

Charging for school activities

Under the Education Act 1996 (sections 449-462) each school's governing body must draw up and review their policy for charging arrangements. Academies (including free schools, studio schools) are required through their funding agreements to comply with the law on charging for school activities.

The 1996 Act aims to:

- Maintain your child's right to free education;
- Make sure that activities offered completely or mainly during normal teaching time are available to all pupils, whether or not their parents can or want to help meet the costs;
- Emphasise that there is no legal requirement to charge for any form of education or related activity, but to give LA's and governing bodies the power to charge for optional activities they provide completely or mainly out of school hours; and
- Confirm the right of LA's and governing bodies to ask for voluntary contributions for the benefit of the school, or to support any activity organised, in or outside, school hours.

The policies determined by individual governing bodies may differ but there is a statutory duty on all governing bodies to act in accordance with the 1996 education act and all policies must adhere to legal requirements. Please contact the school's head teacher for details of the school's policies.

The 2014 guidance *Charging for school activities* clearly identifies those activities which school governing bodies and local authorities can and cannot charge for, they include:

School governing bodies and local authorities, **cannot** charge for:

- an admission application to any state funded school - paragraph 1.9 (n) of the 'School Admissions Code 2012' rules out requests for financial contributions as any part of the admissions process;
- education provided during school hours (including the supply of any materials, books, instruments or other equipment);

- education provided outside school hours if it is part of the national curriculum¹, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- instrumental or vocal tuition, for pupils learning individually or in groups, unless the tuition is provided at the request of the pupil's parent;
- entry for a prescribed public examination, if the pupil has been prepared for it at the school; and
- examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school.

Schools and local authorities **can** charge for:

- any materials, books, instruments, or equipment, where the child's parent wishes him/her to own them;
- optional extras (see Guidance for school activities for further information);
- music and vocal tuition, in limited circumstances
- certain early years provision;
- community facilities.

Residential visits

Schools **cannot** charge for:

- education provided on any visit that takes place during school hours;
- education provided on any visit that takes place outside school hours if it is part of the national curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit.
- Schools can charge for:
 - board and lodging and the charge must not exceed the actual cost.

When a school informs parents about a forthcoming visit, they should make it clear that parents who can prove they are in receipt of the following benefits will be exempt from paying the cost of board and lodging:

- Universal Credit in prescribed circumstances;
- Income Support (IS);
- Income Based Jobseekers Allowance (IBJSA);
- support under part VI of the Immigration and Asylum Act 1999;
- Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by Her Majesty's Revenue and Customs) does not exceed

£16,190 (financial year 2013/14); the guarantee element of State Pension Credit;

- an income related employment and support allowance that was introduced on 27 October 2008.

Board and lodging

Schools can charge for:

- overnight board and lodging providing the charge does not exceed the actual cost;
- extended day services offered to day pupils, for example breakfast clubs, after-school clubs, tea and supervised homework sessions.

Any extended day services for day pupils at state boarding schools, and the associated charges, must be optional. Schools cannot make attendance at and the payment of charges for extended day services compulsory.

Music Tuition, Ensembles and Musical Instruments

Gateshead Music Service is part of the Gateshead South Tyneside Music Education Hub which has a range of partners across the region offering access to music to all ages in a variety of styles and genres. We employ over twenty qualified, specialist and experienced teachers who work with children of all ages in partnership with Gateshead schools. The service offer includes support for the music curriculum in schools, the opportunity to learn how to play a musical instrument or to sing, and then the chance to play and perform in a wide range of ensembles or choirs.

Music in Gateshead schools

Much music tuition takes place during the school day and is available to all Gateshead schools. There are a lot of schools who offer school tuition in various instruments. Schools normally determine the cost per lesson, but this cost almost always includes the loan of a suitable instrument. Please contact your child's school or the Service for further information.

Tuition outside the school day

A Saturday Academy meets at the St George's Clubhouse, at the corner of Durham Road and Inskip Terrace between 9am and 1pm during term time. The offer includes tuition in keyboard/piano, singing, guitar, violin, drums, brass instruments etc. There is also the opportunity for young people to study for music theory grades. The Music Service can also offer instrumental tuition at the Dryden Centre in Low Fell on Tuesday or Thursday evenings. The fees for tuition will be determined at the start of the new academic year.

Free Ensembles

The Music Service manages a wide range of ensembles for pupils who have reached the appropriate level of ability. Advanced Wind/Brass ensembles meet on a Monday evening (St Thomas More) and Tuesday evening (Dryden Centre) (4.30-6pm).

We offer beginner/intermediate wind bands which meet at Whickham Academy on a Tuesday and the Dryden Centre on a Thursday evening, 4.15-5.30pm.

We now also offer a Percussion Ensemble which runs on a Wednesday evening at the Dryden Centre, 5.00-6.00pm. If you are Yr4 and above please come along, **FREE OF CHARGE!**

We also offer a beginner/intermediate string ensemble on a Thursday evening, 4.15-5.30pm at the Dryden Centre.

We work closely with Primary and Secondary schools to prepare joint events.
